• Course meets a general education requirement

In some instances the student will need to take prerequisites STAT 1490 and/or MATH 1510. Contact your advisor for further details.

The school of business and non-profit management encourages students to complete an internship during the summer between their third and fourth year.

The Academic Planning Guide is designed as a guide for students planning their course selections. The information on this page provides only a suggested schedule. Actual course selections should be made with the advice and consent of a faculty advisor. While accurately portraying the information contained in the college catalog, this form is not considered a legal substitute for that document. Students should become familiar with the catalog in effect at the time in which they entered the institution.

ACADEMIC PLANNING GUIDE
