2. Meet with your academic advisor to determine how and when studying abroad can best fit into your schedule.

3. Make an appointment at International Office to find out more about the programs listed above, or other programs that may fit your academic needs or personal interests.

4. Leave plenty of time to complete a quality application to the North Park Study Abroad Program. Check www.northpark.edu/studyabroad for up-to-date application instructions. Remember:
    a. Any North Park student who wishes to study abroad must *first* be accepted as a Study Abroad Candidate. North Park study abroad applications are due the January before the academic year in which you hope to study abroad.
    b. Secondary applications to specific study abroad programs (ISEP, bilateral exchange partners, CCCU, etc.) have different due dates. Acceptance as a North Park study abroad candidate does not guarantee acceptance into a particular study abroad program.
