2002-2003
NORTH PARK UNIVERSITY
CENTER FOR ACADEMIC SERVICES

TRANSFER AGREEMENT WITH
ALASKA CHRISTIAN COLLEGE

North Park looks forward to having ACC students join us on campus. The Admissions Office and the Center for Academic Services, together with the university faculty, want to ensure that each student receives the appropriate guidance and information needed to make well-informed decisions about choosing a major. Attached you will find the transfer agreement that North Park has established with ACC for the transfer of ACC credit to our institution. Along with this information we have listed below some additional policies and procedures which the student transferring to North Park will want to make note of:

- The date posted at the top, left corner of the agreement identifies the year in which this agreement is applied at North Park.
- The agreement is subject to change should the faculty at North Park deem it necessary or should course offerings at either institution change.
- While the attached agreement focuses on two of our majors, Biblical and Theological Studies and Youth Ministry, the institution has 40+ majors for students to choose from.
- Students interested in transferring to North Park should begin the process by making formal application to the Office of Admissions. The Office of Admissions will then perform a Transcript Evaluation which will identify the transfer of credit. *The attached documents are considered worksheets to assist students in understanding major requirements and their ACC equivalents*.
- In order to graduate from North Park students must earn a total of 120 semester hours. This includes all classes in general education, the major(s), and any electives.
- If you are planning to major in BTS or Youth Ministries you are then required to take BTS 1850 at NPU.

Special Note:

- North Park will only accept up to the first 60 semester hours of credit from any non-four-year institution (i.e.: two-year junior college, community college, or ACC). In other words, after a student has earned 60 semester hours in his/her college career, North Park will only transfer in credit from an accredited four-year college or university. (NPU Catalog, p. 60)
- North Park's Residency Requirement states that "all candidates for graduation must take the last 30 semester hours of their degree requirements at North Park University. At least 10 of these must be in the major field." (NPU Catalog, p. 49)

We hope you will find this information helpful as you consider North Park to further your studies.

GENERAL EDUCATION REQUIREMENTS:

Students **NOT** majoring in Biblical and Theological Studies and/or Youth Ministry will receive General Education credit for the following classes. Additional credit earned at ACC will transfer to North Park as elective credit.

GENERAL EDUCATION REQUIREMENTS	SEMESTER HOURS
FINE ARTS	**2**
ACC: 3 credits of choir or drama	.67 x 3 = 2.01
BIBLICAL AND THEOLOGICAL STUDIES*	**8**
Intro. to OT and Intro. to NT **Requirement is only partially complete. See the General Education Checklist for a listing of additional courses that fulfill this requirement.*	2.67 + 2.67 = 5.34

2002-2003
NORTH PARK UNIVERSITY **Biblical and Theological Studies**

Departmental Evaluation of Transfer Credit from Alaska Christian College

Student's Name:

Major Requirements	Semester Credits *(35 required for the major)*	
Foundation Courses:		
	NPU	**ACC**
