The Axelson Center Certificate Package Agreement

This new cost-savings package allows you to pay $799 in advance for seven full-day workshops, which will complete the Axelson Center's Professional Certificate in Nonprofit Management. The savings is over $250 dollars off the regular registration price.

By signing this agreement, I acknowledge and accept the following terms:

- The seven full-day workshops must be completed within two years of the original registration date, and no refunds will be given if less than seven workshops are completed in the time frame. You need two half-day workshops to equal one full-day workshop.
- This package is non-transferable and applies only to the initial participant.
- Participants must register for the workshops ahead of time by either using the online registration form or by calling the Axelson Center.
- Regular cancellation policies apply. Participants must give five days notice prior to the workshop if they cannot attend. If the participant registers for a workshop and fails to attend without following the cancellation policy, he or she will not receive credit for the workshop and will not be able to attend another workshop in its place. Therefore, to receive certification, the participant will be required to pay an additional fee.
- If the Axelson Center cancels a workshop a participant has registered for, the person will be permitted to choose another workshop to fill its place in order to complete the certificate.
