The North Park University School of Education prepares competent, respectful, and reflective professionals who are dedicated to serving diverse learning communities.

The strategic location of North Park University permits the students to acquire clinical experience in public, private, urban, and suburban schools.

The following programs received continued approval of the Illinois State Teacher Certification Board and the Illinois State Board of Education: Early Childhood; Elementary; Secondary Education: Biology, Chemistry, Economics, English, History, Mathematics, Political Science and Physics; Special K-12: Art, French, Music, Physical Education, and Spanish.

Early Childhood/Elementary Education Majors

Acceptance into the early childhood and elementary education majors is based on:

- Formal application to the School of Education when enrolled in EDUC 2120
- An overall GPA of 2.5
- Acceptance into an area of concentration or approved major
- Positive recommendations from School of Education Faculty
- Approval by the Teacher Education Screening Committee
- Passing scores on the Illinois State Board of Education Basic Skills Test
- Completion of health screening
- Successful results of criminal background check

Candidates are required to pass the Basic Skills Test prior to acceptance into the Teacher Education Program. The Content Area Test must be passed prior to the student teaching field experience. An Assessment of Professional Teaching (APT) test must be passed prior to receiving a teaching certificate.

Once admitted to the Teacher Education Program, candidates also meet benchmark assessments at key transition points. Candidates meet the benchmarks for dispositions during Professional Terms A, B, C, and D. Candidates meet the benchmarks for their portfolio assessment in Professional Terms B, C, and D. These benchmark assessments are described fully in the School of Education, Teacher Education Handbook. Students are expected to complete all course requirements including clinical experiences.

International students may major in either Early Childhood or Elementary Education. Since they cannot become certified due to ISBE's requirement to be an United States citizen, they will be exempt from taking the required state examinations.

All professional education and content-area coursework that forms part of an application for certification, endorsement, or approval that is received by ISBE on or after February 1, 2012, must have been passed with a grade no lower than "C" or equivalent in order to be counted toward fulfillment of the applicable requirements.

If a student requests Teacher Certification after graduation, he/she will need to either retake Practicum C: Mini Teaching or Practicum D: Student Teaching after the 2 state exams are passed successfully. (Passing of Basic Skills is required for Mini-Teaching and Early Childhood/Elementary Content Area Test is required for Student Teaching).

Early Childhood Certification Program

This program is designed for students who are planning to teach children from birth to age 8 leading to a type 04 initial teaching certificate in the state of Illinois. In addition to the early childhood major, an expanded general education package and one 18 semester hour "endorsement" or one 28 semester hour concentration is required.

The curriculum is organized in four professional terms:

Professional Term A: EDUC 2120, 2130, 2140, 2145 and 2155

Professional Term B: EDUC 2300, 3340, 3345, 3370, 3430, and 3510

Professional Term C: Preschool: EDUC 3180, 3330, 3360, 3520 (1 sh Preschool; 1 sh Elementary), and 3930

Professional Term D: EDUC 3130, 4100 (4 sh), 4110 (4 sh), and 4600

Elementary Education Certification Program

This program is designed for students who are planning to teach children in grades K-9 and to obtain an Illinois Type 03 initial teaching certificate.

The curriculum sequence is organized in four professional terms:

Professional Term A: EDUC 2120, 2130, 2140, 2145 and 2155

Professional Term B: EDUC 3011, 3260, 3270, 3340, 3345, 3370, 3430 and 3510

Professional Term C: EDUC 3230, 3240, 3280, 3310, 3380 and 3520

Professional Term D: EDUC 3130, 4110 (8 sh) and 4600

General Education Courses For Early Childhood and Elementary Education Majors

Students are advised to consult with their Education advisor to identify the classes that most appropriately helps address State Standards.

Math 1030 is a required course for all Early Childhood and Elementary Education Majors. This fulfills the Mathematics General Education requirement.

The equivalent of two semester hours of written communication is integrated across North Park Dialogue 1 and 2.

Academic Area Of Concentration

In addition to requirements in education, students must select one of the following: (1) an 18 semester hour area of endorsement, or (2) one 28 semester hour concentration from the categories listed below; or (3) a student may complete a second NPU major, following major requirements contained elsewhere in this catalog. Students are advised to work with department and education advisors in selecting appropriate courses.

Secondary Education Major Program

The secondary education major is a second major only. No student may graduate from North Park University with secondary education as his or her only major.

The secondary education major leads to teacher certification. In order to be certified for secondary education in Illinois, a candidate must complete a state approved program in a specific content area. Currently, North Park's approved programs in the content areas noted below are the equivalent of the North Park departmental major (with certain additional courses for core standards and some exceptions as noted in the university catalog) combined with School of Education courses for the secondary education major.

A secondary education major without a content-area major would not lead to state certification. As a result, students may not graduate from North Park with secondary education as their only major.

Acceptance into the secondary education major is based on:

- Formal application to the School of Education when enrolled in EDUC 2120
- An overall GPA of 2.5
- Acceptance into appropriate major
- Positive recommendations from School of Education Faculty
- Approval by the Teacher Education Screening Committee
- Passing scores on the Illinois State Board of Education Basic Skills Test
- Completion of health screening
- Successful results of criminal background check

Candidates are required to pass the Basic Skills Test prior to acceptance into the Teacher Education Program. The Content Area Test must be passed prior to the student teaching field experience. An Assessment of Professional Teaching (APT) test must be passed prior to receiving a teaching certificate.

Once admitted to the Teacher Education Program, candidates also meet benchmark assessments at key transition points. Candidates meet the benchmarks for dispositions during Professional Terms A, B, C, and D. Candidates meet the benchmarks for their portfolio assessment in Professional Terms B, C, and D. These benchmark assessments are described fully in the School of Education, Teacher Education Handbook. Students are expected to complete all course requirements including clinical experiences.

All professional education and content-area coursework that forms part of an application for certification, endorsement, or approval that is received by ISBE on or after February 1, 2012, must have been passed with a grade no lower than "C" or equivalent in order to be counted toward fulfillment of the applicable requirements.

Secondary Teaching Certification Program

The secondary education major leading to teacher certification is designed for students who are planning to teach in grades 6-12 and obtain an Illinois Type 09 initial teaching certificate. Requirements under general education, professional education, and a North Park major.

The curriculum is organized in four professional terms:

Professional Term A: EDUC 2120, 2130, 2140, 2145 and 2155.
