NORTH PARK UNIVERSITY • CHICAGO • ILLINOIS

Revised July 2012

The following planning sheet indicates ONLY the pre-professional courses. The student will need to refer to the Academic Planning Guide for the major they intend to pursue for more direction concerning general education requirements and major requirements.

	Fall Semester		Spring Semester	
First Year	•BIOL 1250: Introduction to Human Anatomy •SOC 1910: Introduction to Sociology General Education and/or Major Requirements  TOTAL SEMESTER HOURS	4 4 8 16	BIOL 1260: Introduction to Cell Biology BIOL 1270: Introduction to Zoology BIOL 1280: Introduction to Botany General Education and/or Major Requirements TOTAL SEMESTER HOURS	4 2 2 8 16
Second Year	BIOL 2910: Microbiology  •CHEM 1150: Introductory Chemistry I •ECON 2211: Principles of Microeconomics or ECON 2212: Principles of Macroeconomics General Education and/or Major Requirements	4 4 4 4	BIOL 2930: Advanced Human Physiology CHEM 1160: Introductory Chemistry II COMM 1910: Public Speaking General Education and/or Major Requirements	4 4 4 4
	TOTAL SEMESTER HOURS	16	TOTAL SEMESTER HOURS	16
Third Year	CHEM 2310: Organic Chemistry I  *MATH 1510: Calculus I or STAT 1490: Statistics General Education and/or Major Requirements  TOTAL SEMESTER HOURS	4 4 8 16	BIOL or CHEM elective CHEM 2320: Organic Chemistry II General Education and/or Major Requirements (PCAT EXAM) TOTAL SEMESTER HOURS	4 4 8 —————————————————————————————————
Fourth Year	BIOL or CHEM elective General Education and/or Major Requirements TOTAL SEMESTER HOURS	4 12 16	BIOL or CHEM elective General Education and/or Major Requirements TOTAL SEMESTER HOURS	4 12 16

• Course meets a general education requirement

The University offers a pre-professional program in pharmacy. This program is not a major in the strict sense, but is a sequence of courses, which will establish an adequate foundation for entry into graduate professional study. Students who are contemplating entry into graduate professional programs in pharmacy will understand the increasingly competitive nature of this field. North Park provides advisory services and foundation courses, which enable its graduates to compete very favorably for entry into such graduate programs. Close contact with the University's pre-professional advisors should be maintained throughout the student's residence at North Park

## **Notes:**

- Students should contact Dr. Jon Rienstra-Kiracofe (773) 244-5661 to discuss this pre-professional track before registering for classes
- If the student is not a strong student in the sciences and considering majoring in Biology, they should start with Biology and begin the Chemistry sequence the second year
- If the student is not a strong student in the sciences and considering majoring in Chemistry, they should start with Chemistry and begin the Biology sequence the second year
- During the summer prior to the fourth year, the student should complete the PCAT (Pharmacy College Admissions Test).
- Physics should be taken in the summer between the second and third year

The Academic Planning Sheet is designed as a guide for students planning their course selections. The information on this page provides only a suggested schedule. Actual course selections should be made with the advice and consent of an academic advisor. While accurately portraying the information contained in the college catalog, this form is not considered a legal substitute for that document. Students should become familiar with the catalog in effect at the time in which they entered the institution.

<sup>\*</sup> Some schools require both Calculus and Statistics; consult your faculty advisor to discuss the option that is best for you. Prerequisite Math courses may be required in order to take these courses.

NORTH PARK UNIVERSITY • CHICAGO • ILLINOIS

☐ Cumulative grade point average in major of 2.00
 ☐ Last 30 semester hours must be taken at North Park

Acceptance into the major

Revised July 2012

<b>Graduation Requirement:</b>	Pre-Professional Requirements: pharmacy			
120 semester hours, minimum				
	Core Science Courses:			
<b>General Education Requirements:</b>	□ BIOL 1250: Introduction to Human Anatomy 4)			
44 semester hours	□ BIOL 1260: Introduction to Cell Biology (4)			
☐ The North Park Dialogue (12)	☐ BIOL 1270: Introduction to Zoology (2)			
☐ Dialogue I (4)	☐ BIOL 1280: Introduction to Botany (2)			
☐ Dialogue II (4)	□ BIOL 2910: Microbiology (4)			
☐ Dialogue III (4)	☐ BIOL 2930: Advanced Human Physiology (4)			
☐ Culture and Society (4) Met by pre-professional course I and/or SOC 1910	□ CHEM 1150: Introduction to Chemistry I (4)			
☐ Personal Development (2)	☐ CHEM 1160: Introduction to Chemistry II (4)			
☐ Biblical Studies (8)	☐ CHEM 2310: Organic Chemistry I (4)			
□ BTS 1850 (4)	☐ CHEM 2320: Organic Chemistry II (4)			
☐ BTS option (4) See General Education	□ PHYS 1210: Introductory Physics I (4)			
☐ Foreign Language (8) checklist for specific	□ PHYS 1220: Introductory Physics II (4)			
□ 1010 Level (4) courses that will fulfill each requirement.				
☐ 1020 Level (4) <a href="http://www.northpark.ed">http://www.northpark.ed</a>				
☐ Mathematics (4) /generaleducation	☐ BSE 2211: Principles of Microeconomics (4) or BSE 2212:			
☐ Fine Arts (2)	Principles of Macroeconomics (4)
