Listed below are Oakton Community College courses which will satisfy North Park General Education requirements. Additional courses may be accepted. Transfer credit from Oakton Community College is limited to the total number of credits a full-time student may earn in the first two years in college (60 semester hours). Transfer courses can meet only ONE general education requirement. All exceptions must be approved through the Academic Standing Committee or by the appropriate academic department.

The North Park Dialogue (4sh)	The North Park Dialogue is a four-course sequence in which students encounter life's great questions in the context of their academic lives. The first two courses, which meet in large-group and discussion sessions led by full-time faculty members, are interdisciplinary humanities courses which emphasize reading, reflection and writing. The last two courses will focus on a social issue, historical event, or current topic within the context of an academic discipline. For transfer students, placement in the Dialogue courses is based upon total accepted transfer credit.

English Composition and Philosophy Requirements: Within North Park Dialogue Courses I and II, there is a strong writing and philosophy component. If your credit amount places you in Dialogue II or above but you have not had a previous composition or philosophy class, you may be required to take these courses at North Park.

This transfer guideline is designed as a guide for students planning their course selections. Actual course selections should be made with the advice and consent of an academic advisor. While accurately portraying the information contained in the college catalog, this form is not considered a legal substitute for that document. Students should become familiar with the catalog in effect at the time in which they entered the institution.
