North Park University is a fully accredited four-year Christian liberal arts university with more than thirty liberal arts and pre-professional majors. More than one-third of entering students each year are transfer students, and we welcome your presence on campus. In addition, we offer an accelerated degree completion program with majors in Organizational Management and Human Development for those students 25 and older with at least two year of college coursework known as the GOAL Program.

Listed below are **Prairie State** courses which will satisfy North Park General Education requirements. Additional courses may be accepted.
