Certifying Semester

Fall Semester Spring Semester Summer Semester Year: _____

By signing this form, I understand and accept the following terms of this certification:

I understand that if accepting Chapter 31 benefits that a completed VA 28-1905 form from my counselor must be submitted to the School Certifying Official stating what educational costs the VA will cover. **Additionally, I understand that I will be responsible for all charges that the VA does not cover through this program.**

I understand that **I must submit a copy of my DD-214, Certificate of Eligibility and**, if applicable, official transcripts from all my previous colleges (or for military experience credit) to NPU to be evaluated for transfer credit. If two semesters pass and I have not provided previous official transcripts to NPU, I understand that I can no longer be certified for educational benefits with the VA until prior credits have been evaluated and posted to my academic record.

I understand that by receiving Veteran's Benefits, I must maintain satisfactory academic progress. I understand that each semester my academic record will be evaluated according to federal regulations. The first semester that I do not meet satisfactory academic progress, I will receive a warning. If my academic standing is unsatisfactory the following semester, I understand that my VA benefits will be suspended, but that I will have the right to appeal to the Director of Financial Aid.

I understand it is **my responsibility as the student** to notify NPU's VA Certifying Official of any changes I make at any time, including address, intended major, dropped or added classes, or complete withdrawals (including withdrawal due to Active Duty call-up).

I understand that dropping a class, receiving a grade of W, or repeating a class may result in reduced payment from the VA and the VA will hold the **student responsible for any overpayment of benefits and/or outstanding charges/balances to NPU.**

I am aware that if I withdraw from my course(s) and receive a non-punitive (W) grade, I may be required to make partial or complete repayment of my GI Bill educational benefits for the semester. If I withdraw from the University or receive F's due to non-attendance, I may be required to repay a portion or all of my educational benefits.

The VA will **only approve benefits for courses that are required to complete my VA approved program of study** as listed in the NPU University Catalog. The VA will not approve benefits for audited courses, remedial courses, or for me to retake courses that I have already successfully completed.

I understand that the VA calculates my Basic Housing Allowance (BAH) using the enrollment reported by the School Certifying Official. The VA considers **accelerated terms (INCLUDING QUAD CLASSES)**, online courses, and the number of enrolled credits each term when determining my eligibility for the housing allowance.

I understand that in addition to my VA Educational Benefits, I can also apply for Federal and State financial aid at www.fafsa.ed.gov. I understand that **some types of financial aid (including Illinois MAP grant) may affect the amount of my VA benefit.**

I understand that I may be financially liable for all the charges related to my registration and understand that I am responsible for payment of all tuition and fees not covered by veteran's educational benefits. I understand that if my student account is past-due it will result in a Business Office hold being placed on my account, which will prevent me from registering for future semesters, requesting transcripts, or if graduating, receiving my diploma. I also acknowledge that if my account remains delinquent, debts may be referred to collection agencies if they remain unpaid.

If there are any problems with my request or benefits, I will **ONLY** be notified via my NPU e-mail account.

By signing below, I understand and acknowledge my potential financial and academic responsibilities when using Veteran Educational Benefits.
