

**Portage Lake is looking for a Summer Staff Chaplain**

The staff chaplain has two primary responsibilities: caring for the summer staff and organizing chapel services. PLCBC's summer staff is made up of about 35 high school and college students. The staff chaplain should provide support, prayer, encouragement and spiritual leadership to the summer staff. He/she will also organize daily staff devotions and have one-on-ones with staff regularly. The staff chaplain will help the program director plan and execute daily chapel services. The program director and staff chaplain will coordinate with the weekly speakers and summer worship director about special skits or activities in chapel. The staff chaplain must be at least 21 years old and have leadership experience with high school and college students. Leading small groups, good communication, and a passion for people is necessary. Contact Chris Wall ([cwall@northpark.edu](mailto:cwall@northpark.edu)) if you are interested.
