# COMMUNITY LIFE

For more information about student life and policies, see the Seminary Student Handbook at www.northpark.edu/seminary.

#### **Christian Formation**

North Park Theological Seminary is a Christian community of students, faculty, and staff coming together for the equipping of men and women for ministry. Students are challenged intellectually in the classroom, gain practical experience through internships and course projects, and are formed spiritually through community and our Spiritual Formation program and the process of testing and evaluation. The Dean of Students and Community Life facilitates the evaluative processes. For details, see www.northpark.edu/Seminary/Seminary-Students/Degree-Tracking/ Degree-Candidacy.

# The Seminary's Corporate Worship

At chapel services, the community gathers to pray with and for one another and the world, as well as receive the ministry of God's Word and the Lord's Supper. Through Scripture read and proclaimed, music and silence, testimony and sacrament, chapels become an important part of community life. Students are expected to attend and participate in seminary chapels on a regular basis. The worship of the community is facilitated by a faculty-student chapel committee under the leadership of the chair of the chapel committee. Students are encouraged to offer their gifts in service to the community to enhance our corporate worship.

#### **Local Churches**

The local church is an important venue for the ongoing formation and education of persons called to ministry. NPTS encourages students to worship and to serve at a local church of their choice. A listing of local ECC churches is available from Seminary Student Services.

# The Evangelical Covenant Church

NPTS is the seminary of the Evangelical Covenant Church. Denominational leaders interact with students on a regular basis in their classes, at their churches, and at many other events. To learn more about the ECC, visit www.covchurch.org.

### Student Government

The Student Association is led by the student Council. The purpose of student government is to promote community life and represent students to the faculty as well as the broader university administration. The Student Council provides leadership for several student committees focusing on the areas of finance and academics, community concerns, globalization and diversity, and social events. The Student Council constitution is designed to encourage student involvement. A copy of the constitution and bylaws is available on request from Seminary Student Services. Officers of the Student Council are elected each spring and are responsible for representing the larger student association.

# Women in Ministry

The Evangelical Covenant Church and North Park Theological Seminary encourage and support women serving at all levels of ministry. Realizing the challenges that face women in pastoral ministry, the Women in Ministry Committee meets regularly for fellowship, discussion, and support. In addition, they sponsor events and plan chapel services that help to encourage dialogue around the issue of women in ministry. The committee is co-led by a faculty-student team.

# Statement of Inclusive Language

We are committed to being inclusive in language and imagery in an effort to eliminate prejudice, whether gender, racial, ethnic, national, religious, denominational, cultural, or physical. This way of proceeding in no manner seeks to deny personal identity; rather, it guards against any use of word or phrase that tends to exclude people. (Adapted and revised from the Board of Publication Policy, the Evangelical Covenant Church, 1987.)

## Housing

Unfurnished student apartments either on campus or within a short walk of the campus are available for Seminary students who maintain enrollment of at least 6 hours per semester (fall and spring). A separate housing application is required, and apartments are assigned on a first-come, first-served basis, with consideration for specific apartments given to families with school-age children. offers a variety of intramural sports, and Seminary students often form teams for volleyball, basketball, football, and soccer.

## Spouses' Programs

Spouses may take advantage of many opportunities available though Partners In Ministry (PIM) and Partners Enrichment Program (PEP). The mission of PIM is to give support to spouses of seminary students and provide opportunities for growth and ministry. The main objective of the Partners Enrichment Program is to offer learning experiences for spouses. This is accomplished through special speakers, marriage retreats, and classes. Spouses of full-time Seminary students may audit Seminary courses at no charge. Partial childcare reimbursement is available for PIM and PEP events. Each spring, a leadership team is formed to plan and execute the events for the following year. More information may be found at www.northpark.edu/Seminary/Community/Community-Groups/Partners-in-Ministry.

Most students make their own arrangements for childcare within the North Park community. Some students send their children to private and public pre-school programs within the area.

#### Schools for Children

Several excellent public and private schools are within a few blocks of North Park. It is recommended that students concerned about the schooling of their children contact the schools directly several months before their planned matriculation. Further information about local schools may be obtained from Seminary Student Services.
