- For admittance into the major, a GPA of 2.67 or higher is required for the first 16 semester hours of business courses taken. Students may not take over 22 semester hours of business courses without acceptance into the major.
- Transfer students who wish to major in Business should consult the Academic Catalog for details as to how their transfer credit is used to decide their admission to the major.
- The School of Business and Nonprofit Management encourages students to complete an internship during the summer between their third and fourth year.
- Calculus I requires a prerequisite of MATH 1150 or four years high school mathematics.
- Students planning to pursue graduate study in economics are advised to consult with their advisor and to plan additional courses in computer science, math and statistics.

The Academic Planning Guide is designed as a guide for students planning their course selections. The information on this page provides only a suggested schedule. Actual course selections should be made with the advice and consent of a faculty advisor. While accurately portraying the information contained in the college catalog, this form is not considered a legal substitute for that document. Students should become familiar with the catalog in effect at the time in which they entered the institution.
