ABOUT NORTH PARK THEOLOGICAL SEMINARY

History

In 1891, the Swedish Evangelical Mission Covenant of America (now the Evangelical Covenant Church) founded a college and seminary in Minneapolis that was moved to Chicago three years later. The Evangelical Covenant Church (ECC) has its roots in historical Christianity as it emerged in the Protestant Reformation, in the biblical instruction of the Lutheran State Church of Sweden, and in the great spiritual awakenings of the 19th century. These three influences have, in large measure, shaped its development and are to be borne in mind when seeking to understand its distinctive spirit. The ECC adheres to the affirmation of the Protestant Reformation regarding the Scriptures as the Word of God and the only perfect rule for faith, doctrine, and conduct. It has affirmed the historic confessions of the Christian church, particularly the Apostles' Creed, while at the same time it has emphasized the sovereignty of the Word over creedal interpretations. It upholds the pietistic restatement of the doctrine of justification by faith as basic to the dual task of evangelism and Christian nurture, the New Testament emphasis upon personal faith in Jesus Christ as Savior and Lord, the reality of a fellowship of believers that recognizes but transcends theological differences, and the belief in baptism and the Lord's Supper as divinely ordained sacraments of the church. Because of the Covenant's desire that its ministers serve the whole church and honor both believers' baptism and paedobaptist traditions that have characterized its heritage, the denomination requires all of its ministers to set aside personal preferences on this issue. Ministers in the Covenant agree to perform either form of baptism in order to serve the whole church and maintain unity. The ECC is also distinctive among evangelical denominations in affirming the full equality of women and men in all leadership positions within the church. Strongly affirming the denomination's Annual Meeting decision in 1976 to ordain women, the administration and faculty of North Park Theological Seminary wholeheartedly support women in ministry. While for more than 100 years, North Park Theological Seminary has played a crucial role in instructing students in the Covenant tradition and preserving and shaping the values and character of the Covenant church, today, the ecumenical vision of NPTS has made it an institution where students from a wide variety of denominations are welcomed and the diversity of traditions appreciated.

Mission, Core Values, and Distinctive Emphases

NPTS serves the church in its great diversity and reflects the values and commitments of the Evangelical Covenant Church.

Mission

North Park Theological Seminary, as the seminary of the Evangelical Covenant Church, participates in the mission of the Triune God by educating whole persons with the whole gospel for the whole world, producing evangelical scholarship, and serving Christ's church.

Core Values

North Park Theological Seminary's distinctive character is reflected in three core values, which summarize our institutional identity and characterize our unique learning environment.

Graciously Evangelical: We embrace the centrality of Scripture, live by God's Word, and offer freedom in its interpretation consistent with unity in Christ. We affirm that the liberating gospel of Jesus Christ brings new life to persons, healing to communities, and hope for creation. We affirm women and men in ministry.

Prophetically Ecclesial: We are committed to the whole mission of the church, emphasizing both the Great Commission to make disciples, and the Great Commandment to love God and neighbor. We passionately hold together head and heart, reflection and practice, worship and service, witness and justice.

Relationally Global: We are a worshiping and learning community that welcomes all disciples, emphasizing spiritual as well as intellectual formation. We nurture love for local communities—urban, suburban, and rural. We nurture vision for a global church, valuing the diversity of all God's people. We foster skills for ministry in contexts of cultural diversity.

NPTS Integrative Emphases

There are six key emphases that integrate our life and learning at NPTS. These flow out of the commitments of the Evangelical Covenant Church and are consistent with those of North Park University. They are reflected across our curricula, woven into our communal life, and together mark our graduates. These distinctive emphases are:

- **Scriptural Engagement:** The Bible is the life-giving word of God. We engage with the Bible because through it God has engaged us in Jesus Christ by the power of the Holy Spirit. Throughout our living and learning we approach Scripture with critical rigor, passionate devotion, and obedient faith.
- **Cultural Engagement:** All cultures and peoples are loved by God and both embraced and challenged by the gospel. We live and learn embracing cultural and ethnic diversity. We seek to foster the attitudes and skills essential to hear and express the gospel in diverse cultures and contexts.
- **Forming Thoughtful Minds:** To love God and neighbor with the mind is a vital aspect of Christian obedience. We nurture careful, sustained reflection in all our living and learning as essential to fruitful ministry and faithful discipleship.
- **Forming Godly Hearts:** Spiritual wisdom grows and matures through intentional, obedient practice and is essential to ministry. We nurture its growth through curricular and communal emphasis on spiritual practices, spiritual direction, and effective self-care.
- **Serving Congregations:** Congregations are primary embodiments of the Christian gospel and instruments of the mission of God. Our living and learning are permeated by concern to nurture congregational life through informed and skilled leadership.
- **Being Missional:** We seek to communicate the gospel through proclaiming Christ, pursuing justice and living with compassion. We seek to foster the attitudes and skills essential for the church to exercise transformative ministries.

Alumni

For more than a century, men and women have graduated from NPTS to be servants and disciples of Jesus Christ. Our graduates serve God and the church as pastors, missionaries, Christian educators, youth pastors, chaplains, lay leaders, evangelists, camp directors, administrators, and as leaders in the business and professional community.

City Location

Our address is Chicago, and our neighborhood (Albany Park) is a microcosm of the world. Our zip code is one of the most ethnically diverse zip codes in the United States. Take a five-minute walk from our campus and you're sure to hear an interesting combination of the more than 40 languages spoken in the community we call home. Our location offers a remarkable, true-to-life laboratory for ministry in the real world. It affords our students countless opportunities to encounter human variety and human needs and share the good news of Jesus Christ. Our students serve and worship in local churches with diverse and exciting ministries of outreach and compassion. We've been in this neighborhood for more than 100 years, a span of sweeping change all around us. From the start, we have looked at our location as something more than an accident of history. We have viewed it as a gift to us and to our students, who learn in the classroom and on the nearby streets to explore their callings and to put their faith into practice anywhere on the globe. North Park Theological Seminary is tucked into a residential neighborhood on Chicago's north side, only 10 miles from the architecturally impressive skyline of the city's famous Loop. You will experience a world-class city that boasts a bustling marketplace of ideas, cultures, and people. Some of the world's best art collections are found in our city, including those of the Art Institute of Chicago. Our city is famous for its approach to architecture and year-round cultural and music festivals expose the richness of diverse communities. We also have the Cubs, White Sox, Bulls, Bears, and Blackhawks.

Academic Resources in Chicago

Chicago includes some of the world's richest resources for graduate theological education. It is not without reason that Chicago has been called the theological capital of the world. Collectively, hundreds of students are enrolled in Chicago-area seminaries, and a large number

of cooperative ventures, cluster arrangements, and consortia enrich the opportunities for the individual seminary student. The city's seminaries are joined as the Association of Chicago Theological Schools, offering an unparalleled variety of theological resources and courses. Students at NPTS have access to the resources of this campus, and to the faculty, libraries, research facilities, guest lecturers, and programs of other seminaries in the Chicago area.

Association of Chicago Theological Schools (ACTS)

ACTS was formed in 1984 to provide cooperation in areas of cross-registration, library access and acquisitions, interchange among faculty, and communication among theological schools. Students from the member schools have library privileges at the other member schools. NPTS students may take courses at any of these schools through a simple process of cross-registration. Tuition is paid to and credit is given by NPTS. The catalogue of courses is available at www.actschicago.org.

The Northside Chicago Theological Institute

NCTI is a cooperative venture within ACTS. It was formed in 1971 by five seminaries in the northern part of the Chicago area: North Park Theological Seminary, Garrett-Evangelical Theological Seminary, Seabury-Western Theological Seminary, University of St. Mary of the Lake (Mundelein Seminary), and Trinity Evangelical Divinity School. Each year, NCTI offers two joint seminars where students from a variety of traditions come together and learn about their distinctiveness and common characteristics. These seminars may be taken for academic credit through the individual seminaries.

The Hispanic Summer Program

North Park Theological Seminary is a member-school of the Hispanic Summer Program (HSP), an ecumenical organization that annually offers two-week intensive courses during the summer primarily for Latino/a students. Most of the courses are conducted in Spanish by qualified Latino and Latina instructors and at a different member seminary each summer. Visit www.hispanicsummerprogram.org for a list of schools participating in HSP, the summer courses offered, and the application process for students interested in taking courses through HSP. Students may also consult with the North Park Seminary's liaison with HSP.

El Centro Hispano de Estudios Teológicos (CHET)

CHET is a theological and pastoral training center for Hispanic church planters, pastors, and lay leaders. It is a subsidiary of North Park University, and is accredited by the State of California Bureau for Private and Postsecondary and Vocational Education as well as AHET, the Association for Hispanic Theological Education. CHET is also approved by the Board of Ministry of the Evangelical Covenant Church to provide the training required for Covenant Ordination. Representatives from North Park University and North Park Theological Seminary serve on the executive board. College level theological training and ministerial formation are offered on the main campus in the Los Angeles area, in Chicago (typically on the campus of NPTS) and at various other extension sites.

Symposium, Journal, and Lectureships

North Park Symposium on the Theological Interpretation of Scripture

Each fall, NPTS sponsors the North Park Symposium on the Theological Interpretation of Scripture which brings together selected North

American and international scholars to discuss a subject relevant to the life of the church. The focus of the symposium is on the process of interpretation and the task of biblical theology. The papers presented in the symposium are collected and published in the international journal *ExAuditu*. General attendance at the symposium is by invitation only; but all NPTS students may attend.

The Covenant Quarterly

Published four times a year under the auspices of the Evangelical Covenant Church and edited by a NPTS faculty member, *The Covenant Quarterly* provides a forum for articles of significance for the life of the church. Special attention is given to interpreting and preserving the pietistic heritage from which the Covenant Church emerged.

The David Nyvall Lectureship

This lectureship was inaugurated in 1951 in memory of David Nyvall, the pioneer Swedish-American educator who served the school both as teacher and president. The purpose of this lecture series, held each spring, is to stimulate interest in the interpretation of the Christian message for the contemporary world.

The Nils W. Lund Memorial Lectureship

This lectureship brings to the campus each autumn one or more distinguished scholars in the biblical field. The focus of this lectureship is on current developments in biblical studies and their ministry relationship to the task of preaching today. The Lund Memorial Scholarship was founded by Hugo Anderson in 1960, in memory of Dr. Nils W. Lund, dean and biblical scholar at the Seminary from 1922-1954.

The Carl G. Westerdahl Lectureship

This lectureship in evangelism began in 1964 through the establishment of an endowment fund by the Westerdahl family in memory of the late Reverend Carl G. Westerdahl, noted Covenant preacher and evangelist.

The A. Eldon Palmquist Lectureship in Preaching

This lectureship was established in 1985 by the family of the late Reverend A. Eldon Palmquist, Covenant pastor and conference superintendent, in recognition of his lively, grace-filled preaching, his interest in education, and his loyalty and devotion to the cause of Christ.

International Exchange Program

NPTS has established exchange programs with theological schools in other countries—in particular, Sweden and Finland. NPTS students may study for up to a year at one of these schools.

Prospective students must have maintained an undergraduate GPA of at least a 2.5. A limited number of students who have not earned an accredited baccalaureate degree or whose undergraduate GPA is below 2.5 may be admitted under special circumstances.

- Completed application form
- Official transcripts from previous institutions of higher education
- Required essays
- References or recommendations
- Other materials, as requested
- Personal interview, as requested
- Application fee

Offer of Admission

An offer of admission is for a specific start term, either fall, spring, or summer term. An admitted student may defer admission for up to one year, after which re-application is necessary. Transcripts for any academic studies undertaken subsequent to the initial offer of admission must be submitted to the Seminary Admission Office. Failure to provide complete and accurate information during the application process may be grounds for withdrawal of an offer of admission, disciplinary action or dismissal from the Seminary.

Acceptance of Admission

Once the student receives an offer of admission, a tuition deposit indicates acceptance of the offer of admission and the intention to enroll at North Park Theological Seminary. The tuition deposit deadline for the fall semester is June 15 and for the spring semester is December 1. Cancellations after June 15 or December 1 respectively are not refundable. Students admitted after June 1 or after December 1 will have four weeks to accept the offer of admission by making a tuition deposit. Failure to make a tuition deposit by the appropriate deadline may result in the cancellation of the offer of admission, and scholarships and grants may be offered to another student. After a student has made a tuition deposit, the student may apply for student housing.

Admission to Dual Degrees with School of Business and Nonprofit Administration

Students must apply for a specific dual degree program through the Seminary Admission Office. In addition to all materials required for a regular seminary application, students must also submit a résumé and GRE or GMAT test scores if cumulative GPA for previous college level work is below 3.0. Applicants must have earned a bachelor's degree from an accredited institution.

Tuition for dual degree programs is set at a separate rate from Seminary tuition.

Current degree-seeking seminary students who wish to change to a dual degree program must apply through the Office of Seminary Admission before they have earned 30 credits for the M Div, 16 credits for the MACF, or 12 credits for the MACM. Students who have earned more than the specified hours in their respective program must complete or withdraw from their current program before beginning another North Park degree program.

Admission for Visiting Students

A visiting student is authorized by the Seminary Admission Office to register for a course or courses for seminary credit or audit but has not been admitted into a degree or certificate program. Application for admission as a visiting student requires submission of a visiting student application. Courses taken as a visiting student can be applied to degree programs and may meet certificate requirements. A visiting student wishing to begin a degree or certificate program must complete the appropriate application and be accepted to that program. The visiting student is expected to meet the degree requirements that are in force at the time of admission for degree or certificate seeking status. Once accepted into a degree or certificate program, students must also fulfill any non-academic requirements for the program.

Those seeking admission to the Covenant Orientation program should contact the Evangelical Covenant Church Department of the Ordered Ministry at (773) 583-3211. More information can be found at www.covchurch.org.

Orientation to Covenant Missions

Applicants who wish to serve as missionaries for the Evangelical Covenant Church should contact the denominational World Mission Office at (773) 784-3000 in order to discuss missionary candidacy and seminary requirements prior to submission of an application to North Park.

International Students

In addition to the regular application requirements, international students must:

1. Demonstrate English proficiency
Proficiency in the English language is required for success as a student at North Park University, and more advanced degrees require greater proficiency. International students must submit evidence of English proficiency in the form of official test results such as the TOEFL or IELTS as a part of the application process.

Testing: Requirements for Admission*TOEFL*

	Masters Level	Doctoral Level
Internet Based Test (iBT)	90	100
Reading	24	25

- Current, meaning that the testing date must be within two (2) years of applying for admission into North Park.
- Sent directly to the North Park Office of Admission by the testing agency. The North Park TOEFL code is 1556. The ACT code is 1098.

Validation of Proficiency – Testing Upon Arrival at North Park

Upon arrival at North Park, North Park administers its own English language proficiency test to all new international students during new student orientation at the beginning of a student's first semester.

New students who test below standards will be required to take appropriate ESL or other English courses during their first semester, or until they demonstrate the required proficiency for academic work. These courses are variable credit, are billed at regular course rates, and do not count toward the masters or doctoral degrees. See the catalog for further information about academic policies regarding credit and fulfillment of graduation requirements.

Seminary and Other Graduate Program Exceptions

- Canadian students.
 - Students who have earned a bachelor's degree taught in English in a country where English is the primary language (the United Kingdom, British West Indies, Ireland, Australia, or New Zealand).
 - Students who have earned a bachelor's or master's degree or have at least 30 hours of Masters degree level credit with a C average at a US accredited college or university and in which they have had to take courses developing proficiency in English composition and research methods.
 - Students from Scandinavian countries (Sweden, Norway, Finland, Iceland, and Denmark) must submit a TOEFL or IELTS test score only when applying for a DMin degree program.

Additional Requirements

North Park University reserves the right to require additional material, such as a writing sample or the TOEFL or IELTS before making an admission decision.

Non-United States-based Curriculum

A local Education USA advising center can provide valuable advice about testing, financial aid and immigration issues.

2. Submit a financial resources form

Anyone applying for an international student visa (F-1), the United States government requires evidence of sufficient financial resources to allow a year of study in the United States. The evidence must be demonstrated in order to apply for a visa. International students need to show personal or family resources or sponsorship from friends, churches or scholarships that would permit them to pay for tuition, books, insurance (if needed) and living expenses. This proof is recorded in an affidavit of financial support. Contact the Seminary Admission Office for information as to the current budget required to pursue a seminary degree. The affidavit form may be downloaded from the international student application page of the website.

3. Arrange for evaluation of transcripts

If a student has attended any college or university outside the United States and Canada, they must have their transcripts evaluated by an agency that will provide NPTS with a translation and evaluation of the documents. A recommended organization is Educational Credential Evaluators, Inc. at www.ece.org. Another is the World Education Service at www.wes.org. This is in addition to requesting transcripts from any college or institution attended to be sent directly to the Seminary Admission Office.

Following the receipt of all the application materials, the completed application will be reviewed and a decision made. If the student is admitted into North Park Theological Seminary, North Park will issue an I-20 form, which will allow the student to apply for a visa to study at North Park in the United States.

Notification of Acceptance

When the student's application is complete, the Seminary Admission Office will take official action on the application and will notify the student of an admission decision.

FINANCIAL INFORMATION

NPTS is committed to working with students to help make their seminary education affordable. North Park offers a range of scholarships and need-based grants for any given semester or course. Degree and certificate students desiring to apply for scholarships and need-based grants must apply at the time that they are accepted into their program. Financial aid packages are awarded at the time of admission and do not change during the course of a student's program. Students are encouraged to apply for scholarships from outside sources, such as home congregations, regional and denominational offices, and private foundations.

Bills are issued six-to-eight weeks prior to the semester or start of a course, showing charges (tuition and fees) and credits (North Park grants, scholarships, and proceeds from any federal loans taken out by the student) and a balance due, along with a due date. Payment for the balance due may be made online. Late payments will incur a finance charge computed at 1.5 % per month of the unpaid balance.

A monthly payment plan is available for those who wish to spread payments out over the course of the semester. Approved payment plans avoid finance charges.

Rent for school-owned housing is payable monthly to the Student Accounts Office. Payments are due the first of each month.

Scholarships

Scholarships are offered to degree-seeking students. Visit www.northpark.edu/seminary for details about current scholarship offerings, qualifications, and how to apply. Questions can be directed to the Office of Seminary Admission at semadmissions@northpark.edu.

Need Based Grants

Need based grants may be available to degree and certificate-seeking students. Domestic degree-seeking students should complete and submit the FAFSA (Free Application for Federal Student Aid) at fafsa.ed.gov. North Park's FAFSA school code is 001735. Certificate-seeking students should complete and submit the North Park Financial Aid form. International students should complete the North Park Financial Resources Form.

Church Matching Grant

Many churches offer both prayer and financial support to men and women who emerge within the ministry of the local church and have an initial sense of call into ministry. All degree or certificate students may take advantage of this program. Through the Church Matching Grant program, North Park will match a gift from a home church up to \$500 per semester (\$1,500 per academic year over three semesters).

Loans

The Federal Stafford Loan is available for those enrolled as degree students and who are taking at least four credit hours during the semester for which they are seeking a loan. Students must complete the FAFSA to be eligible for this loan.

Satisfactory Academic Progress

To be eligible for federally funded financial aid programs, all student financial aid recipients must meet Satisfactory Academic Progress (SAP) standards. The Standards of Academic Progress are evaluated and students are notified when they do not meet the SAP requirements at the conclusion of each period of enrollment. North Park University evaluates

students' SAP both qualitatively and quantitatively by reviewing the following three areas of performance:

1. **GPA requirement**
Students must maintain a 2.0 cumulative GPA
2. **Pace of Completion Requirement**
Students must progress toward completion of their declared degree/certificate while maintaining a minimum 67% completion rate. The completion rate is calculated by dividing the cumulative number of credit hours a student has successfully completed by the cumulative number of credit hours a student has attempted.
3. **Maximum Time Frame**
Students may receive financial aid until they attempt 150% of the published credit hours required to receive a degree in their graduate or teacher certification program. This policy will consider all enrollments at North Park and other colleges/ universities whether or not financial aid was received.

For full details regarding SAP, visit www.northpark.edu/Campus-Life-and-Services/Financial-Aid/Satisfactory-Academic-Progress.

Emergency Financial Assistance

There are resources available through the Seminary Student Services Office which provide targeted and temporary assistance to students facing unusual financial challenges.

A deacons' fund is available to help students in emergency financial situations. Periodic collections and other fundraising support this fund. Money from this fund is intended as a grant and repayment is not required.

The Carl Eric Wiberg Memorial Crisis Fund was established in 1984 through gifts of his family and friends in the wake of his untimely death. The fund is intended to provide an outright grant to students of North Park Theological Seminary who find themselves in crisis situations, normally of a medical nature.

The Soudah Student Loan Fund was established in 1999 in memory of Rev. Peter E. Soudah and Eden Ebenholtz Soudah. This general seminary student loan fund was established by several donors. Seminary students in temporary financial need may apply for a loan from these funds.

Health Insurance

Residential students registered for six or more hours of credit during a semester are required to have health insurance, either through a satisfactory personal plan or through a plan arranged by North Park. Full time students will automatically be billed for the University's insurance plan. This charge will be removed from the bill if proof of insurance is provided to the University before the announced deadline. Further information regarding student health insurance is available online at www.northpark.edu.

Student Accounts and Billing

Seminary students' accounts are managed by University Student Administrative Services. For questions regarding student accounts, billing, and setting up monthly payment plans, call (773)244-5560.

COMMUNITY LIFE

For more information about student life and policies, see the Seminary Student Handbook at www.northpark.edu/seminary.

Christian Formation

North Park Theological Seminary is a Christian community of students, faculty, and staff coming together for the equipping of men and women for ministry. Students are challenged intellectually in the classroom, gain practical experience through internships and course projects, and are formed spiritually through community and our Spiritual Formation program and the process of testing and evaluation. The Dean of Students and Community Life facilitates the evaluative processes. For details, see www.northpark.edu/Seminary/Seminary-Students/Degree-Tracking/Degree-Candidacy.

The Seminary's Corporate Worship

At chapel services, the community gathers to pray with and for one another and the world, as well as receive the ministry of God's Word and the Lord's Supper. Through Scripture read and proclaimed, music and silence, testimony and sacrament, chapels become an important part of community life. Students are expected to attend and participate in seminary chapels on a regular basis. The worship of the community is facilitated by a faculty-student chapel committee under the leadership of the chair of the chapel committee. Students are encouraged to offer their gifts in service to the community to enhance our corporate worship.

Local Churches

The local church is an important venue for the ongoing formation and education of persons called to ministry. NPTS encourages students to worship and to serve at a local church of their choice. A listing of local ECC churches is available from Seminary Student Services.

The Evangelical Covenant Church

NPTS is the seminary of the Evangelical Covenant Church. Denominational leaders interact with students on a regular basis in their classes, at their churches, and at many other events. To learn more about the ECC, visit www.covchurch.org.

Student Government

The Student Association is led by the student Council. The purpose of student government is to promote community life and represent students to the faculty as well as the broader university administration. The Student Council provides leadership for several student committees focusing on the areas of finance and academics, community concerns, globalization and diversity, and social events. The Student Council constitution is designed to encourage student involvement. A copy of the constitution and bylaws is available on request from Seminary Student Services. Officers of the Student Council are elected each spring and are responsible for representing the larger student association.

Women in Ministry

The Evangelical Covenant Church and North Park Theological Seminary encourage and support women serving at all levels of ministry. Realizing the challenges that face women in pastoral ministry, the Women in Ministry Committee meets regularly for fellowship, discussion, and support. In addition, they sponsor events and plan chapel services that help to encourage dialogue around the issue of women in ministry. The committee is co-led by a faculty-student team.

Statement of Inclusive Language

We are committed to being inclusive in language and imagery in an effort to eliminate prejudice, whether gender, racial, ethnic, national, religious, denominational, cultural, or physical. This way of proceeding in no manner seeks to deny personal identity; rather, it guards against any use of word or phrase that tends to exclude people. (Adapted and revised from the Board of Publication Policy, the Evangelical Covenant Church, 1987.)

Housing

Unfurnished student apartments either on campus or within a short walk of the campus are available for Seminary students who maintain enrollment of at least 6 hours per semester (fall and spring). A separate housing application is required, and apartments are assigned on a first-come, first-served basis, with consideration for specific apartments given to families with school-age children. Information on housing is available on the Seminary website or from the Housing Coordinator at (773) 244-6219 or semhousing@northpark.edu. Visit www.northpark.edu/Seminary/Community/Housing for more information.

International Students

The International Student Services Office of the University provides counseling, advice, and referral services for international students. In addition, matters relating to student visa status are monitored by this office which regularly reports to the U.S. government about the academic standing of all international students. For more information regarding these services, please contact the International Student Office: www.northpark.edu/Campus-Life-and-Services/International-Student-Services.

Nyvall Hall

Nyvall Hall was erected in 1947 and is the home of the Seminary on the North Park campus. Students, faculty, and staff gather twice weekly for worship in Isaacson Chapel, followed by coffee and announcements in Olsson Lounge. Nyvall Hall contains classrooms, faculty and administrative offices, Seminary Student Services, Seminary Academic Services, and the Field Education Office. The Office of Seminary Admission is located in Old Main.

Counseling and Health Centers

The North Park Counseling Center and the Student Health Center are located on Foster Avenue on the north edge of campus. Both offer basic services to students free of charge. The Counseling Center offers students professional counseling services and referrals in situations of individual and family stress. They also offer education and screenings for attention deficit disorder, substance abuse, eating disorders, depression, anxiety, and other areas of concern. Discounted services for students and their families is also available at Swedish Covenant Hospital. Students are required to carry health insurance. If a student wishes to pursue counseling with another provider the Dean of Students has referrals as well as resources to help defray some of the cost.

Athletics

Students have access to the University gym, Helwig fitness center, and classes offered there to promote health and wellness. During the academic year students can also access the athletic facilities, pool and fitness classes at Northeastern Illinois University. The University also

offers a variety of intramural sports, and Seminary students often form teams for volleyball, basketball, football, and soccer.

Spouses' Programs

Spouses may take advantage of many opportunities available through Partners In Ministry (PIM) and Partners Enrichment Program (PEP). The mission of PIM is to give support to spouses of seminary students and provide opportunities for growth and ministry. The main objective of the Partners Enrichment Program is to offer learning experiences for spouses. This is accomplished through special speakers, marriage retreats, and classes. Spouses of full-time Seminary students may audit Seminary courses at no charge. Partial childcare reimbursement is available for PIM and PEP events. Each spring, a leadership team is formed to plan and execute the events for the following year. More information may be found at www.northpark.edu/Seminary/Community/Community-Groups/Partners-in-Ministry.

Employment Opportunities

There are employment opportunities on campus for North Park students. Students or spouses interested in employment at the University should check www.northpark.edu/About/Prospective-Faculty-and-Staff for notices of available employment on campus. The Seminary Student Services Office posts notices of part-time church work opportunities in Nyvall Hall and the Nyvall News weekly newsletter. The Youth Ministry Study Center maintains an online list of youth oriented jobs as well. Chicago offers many job opportunities, including part-time employment in area churches.

Childcare

Most students make their own arrangements for childcare within the North Park community. Some students send their children to private and public pre-school programs within the area.

Schools for Children

Several excellent public and private schools are within a few blocks of North Park. It is recommended that students concerned about the schooling of their children contact the schools directly several months before their planned matriculation. Further information about local schools may be obtained from Seminary Student Services.

Alcohol and Drug Policy

In compliance with the requirements of the Drug-Free Workplace Act of 1988, North Park is committed to providing a drug-free and alcohol-free learning and work environment. Smoking, chewing, or dipping tobacco are prohibited in all campus buildings. The possession or use of alcohol or controlled substances on campus or in conjunction with institution-sponsored events, whether on-campus or off-campus is prohibited.

Harassment Policy

NPTS will not tolerate personal, racial, or gender harassment or intimidation of students, faculty, or staff by any person in any form. The institution will take prompt and appropriate action when complaints of harassment are registered, including appropriate disciplinary action up to dismissal if the complaint is substantiated and such discipline is deemed necessary. Any who believe they have been harassed may turn for assistance to the Dean of the Seminary, the Dean of Students and Community Life, or the Academic Dean.

Student Handbook

For further information regarding student and community life, services, and student conduct policies and procedures, see the Seminary Student Handbook available at www.northpark.edu/Seminary/Community.

ACADEMIC LIFE

Brandel Library

Brandel Library serves the students, faculty, and staff of NPTS by providing bibliographical and technological resources and study space as well as bibliographic and research assistance. It houses a strong collection of materials for all of the Seminary disciplines in a variety of formats (books, journals, music, films, electronic, archival, etc.) and adds to this collection annually. As the Library for all of the University, Brandel also provides strong resources for related disciplines in the humanities, social sciences, and natural sciences. It also houses the archives for the University, for the Evangelical Covenant Church (ECC), and for the Swedish-American Historical Society, thus providing a remarkable collection of resources on the history and life of the Covenant. Some of Brandel's resources provided to students are owned and housed onsite by the Library. Others are accessed electronically through annual subscriptions or leases. In addition, Brandel is a member of ACTS (the Association of Chicago Theological Schools) and of CARLI (Consortium of Academic and Research Libraries of Illinois). Through these consortia, students can request materials from other member libraries.

Covenant Archive and Historical Library

The Covenant Archive operates under the supervision of the denomination's Commission on Covenant History. The primary purpose of the archive is to preserve and make available records of the Evangelical Covenant Church, but holdings also include literature in the fields of history, Swedish Americana, and other denominations of Swedish origin. Among its treasures is a copy of the Gustav Vasa Swedish Bible, published in 1541. Much of the material written before 1925 is in Swedish. The archives of the Swedish-American Historical Society are a unique collection of Swedish Americana. The resources of both archives are available to qualified students.

Computer Labs

Student computer labs are located in Brandel Library.

NPTS Regional Courses

In conjunction with the Department of the Ordered Ministry, NPTS offers selected courses in ECC conference locations. One of those locations is in the State of Washington, which requires this notice:

The Washington Higher Education Coordinating Board has determined that North Park Theological Seminary qualifies for religious exempt status from the Degree-Granting Institutions Act for the graduate level credit-bearing courses that comprise the following programs: master of divinity (MDiv) and doctor of ministry (DMin). The HECB makes no evaluation of the administration, faculty, business practices, financial condition, or quality of the offerings by this institution. Any person desiring information about the requirements of the act of the applicability of those requirements to the institution may contact the HECB at P.O. Box 43430, Olympia, WA, 98504-3430.

Covenant Orientation Studies

Visit www.covchurch.org/vocational-ministry/orientation for information about Covenant Orientation.

Additional Degree Program Components

As part of our mission to educate whole persons, North Park Theological Seminary, in addition to academic assessment, evaluates students based on their spiritual and emotional readiness for ministry or other vocation. The evaluations are designed to give students assessments and tools to grow in deeper self-awareness as those who are preparing to serve and lead the church.

Testing and Evaluation

Testing and evaluation are required for all degree-seeking students. Students taking courses primarily online are granted flexibility in scheduling and location of testing. Contact Seminary Student Services for details.

1. Midwest Ministry Assessment

Midwest Ministry Development (MMD) is an organization that helps assess a student's readiness for ministry. This testing is designed to identify those individuals who, because of psychological and/or emotional issues, may have significant difficulty in functioning appropriately as seminarians or clergy. Confidentiality is strictly maintained. The psychological assessment is administered in four stages:

- Students prepare an autobiography, a medical history, a theological formation questionnaire, and a signed statement of personal conduct.
- Students complete the Minnesota Multiphasic Personality Inventory-2, the Myers-Briggs Type Indicator (MBTI), a Sentence Completion component, and the Enneagram. A clinical psychologist and counselor review the documents and prepare a preliminary report.
- Students meet with a counselor for discussion of their preliminary report during their Vocational Excellence course.
- Students must submit to MMD a written release of their final report to the Dean of Students. Failure to do so in a timely manner may result in blocked course registration.

The final portions of the evaluation are completed through FLDC 5300 Vocational Excellence.

2. Bible Exam

Students with less than a year of graduate work in biblical studies or a related field are required to pass the Bible Exam before their Degree Candidacy evaluation. The exam tests knowledge of people, places, dates, books, and selected scripture passages. It is a multiple-choice exam and students must answer a minimum of 80 percent correctly in order to pass. The exam and its tutorial are both accessed online but proctored on campus. Students make exam appointments with Seminary Student Services.

3. Intercultural Development Instrument

The Intercultural Development Instrument (IDI) is an assessment tool that measures one's intercultural competence and can help to prepare students for pastoral work in diverse ministry settings. Students take the IDI in their first year, and results are confidential to the student and IDI administrator. The IDI may be referenced to help craft the student's field education plan and during the Cultural Competency Module.

4. Degree Candidacy Evaluation

Degree Candidacy Evaluations are used as a means of academic, spiritual, and ministerial guidance. Two faculty members evaluate the student's academic performance and his/her interaction with faculty and peers based on learning assessments, entrance essays, and a student reflection paper. The faculty team reports to all faculty and to the Dean of Students and Community Life, and students are affirmed in their degree program, affirmed with stipulations, or in rare cases, not recommended as a candidate for the degree program. Evaluations take place when a student has completed approximately one-third of his or her degree program, typically in the second semester of the first year of studies.

5. End of Studies Evaluation

During the fall semester before a student graduates, he or she submits a reflection relating to ministry and a one-page statement focused on a theological issue. Reflections, as well as a report from the Director of Field Education, are reviewed with two faculty members and a peer advocate of the student's choosing for further vocational feedback. This is submitted to the entire faculty and to the Dean of Students for approval. Master of divinity students must complete FLDC 7316 Clinical Pastoral Education prior to the End of Studies Evaluation. For those seeking placement in the Evangelical Covenant Church, a recommendation from the faculty is required and will be presented to the conference superintendents by the Dean of Students following the End of Studies process.

Field Education

Field education is a companion to academic work at North Park Theological Seminary. These experiences give further context to studies, help develop maturity in interpersonal relationships in a ministry context, provide practice in communication skills, develop insights into ministry organization and procedure, and aid in discovering areas of growth while strengthening a sense of Christian vocation. Field education requirements differ for each degree program but may include:

- FLDC 5300 Vocational Excellence
- FLDC 7310 Internship Residency
- FLDC 7315 Cultural Competency Module (CCM)
- FLDC 7316 Clinical Pastoral Education (CPE)
- FLDC 7318 Theological Reflection Module (TRM)

See Degree Program sections for specific field education requirements.

All degree-seeking students should schedule an appointment with Field Education personnel early in their program to discuss and plan the course of their field education. Students must have a plan in place prior to the Degree Candidacy evaluation. Some students desire to complete a full-time internship in a congregational setting or other specialized ministry setting prior to their first year of academic study. These students should contact the Field Education Office upon admission.

The Seminary Field Education Office is located in the basement of Nyvall Hall. The Director of Field Education can be contacted at (773) 244-5251. The Associate Director of Field Education can be contacted at (773) 244-5259.

Online Options and Residency Requirements

The Association of Theological Schools has accredited the Seminary to offer the MACM, MACF, and MDiv as a combination of online and campus based intensive format. Courses are offered online during the Seminary's regular fall and spring semester schedules, and in one or two week intensives in Chicago. No degree can be completed fully online. Each degree program requires a campus a certain number of credit hours which must be completed in residence at North Park's Chicago campus. The number of hours required in campus residency for all students are as follows:

- MACM – 13 credit hours
- MACF – 17 credit hours
- MDiv – 30 credit hours

ACADEMIC POLICIES

The following academic policies affect the academic progress of students matriculating in 2013–2014. It is the student's responsibility to track their progress in their program as well as to be aware of deadlines for various matters, when forms are needed, policies for appeal, and more.

The Seminary Academic Services Office will seek to assist students in all relevant matters and will enforce academic policies and procedures. Exceptions to the stated policies will only be made by approval of student petition. Contact information: North Park Theological Seminary, Academic Services Office, Box 14, Chicago, IL 60625. (773) 244-6217 or semacademicserv@northpark.edu.

Student Computer Accounts

My North Park

My North Park is the portal system for North Park University. It gives access to school email accounts, WebAdvisor, and Moodle, among other helpful links. Once a student has been accepted to the Seminary, he or she will be required to set up a My North Park account using their student ID number. For further information regarding account creation, see www.northpark.edu/Campus-Life-and-Services/Information-Technology/Account.

North Park University Vikings Email

The Seminary communicates with students via their NorthPark University Vikings email accounts. Students are welcome to link their Vikings email to a personal email address.

WebAdvisor

WebAdvisor contains personal student information. Use WebAdvisor to register for classes, check financial aid, update mailing addresses, access grades and transcripts, pay bills, and more.

Moodle

Many faculty members use Moodle as their course management tool to post syllabi, assignments, readings, and more.

Registration

The first semester after a student has been accepted, he or she is registered by the Seminary Academic Services Office. After the first semester, students register themselves using the online registration system WebAdvisor. Students can only register for classes when the registration period has been opened. Reasons for why a student may be unable to register may include, but are not limited to the following:

1. Full enrollment
2. Course cancellation
3. Holds on student account due to
 - Tuition
 - Rental Accounts
 - Library Accounts
4. Registration period has not been opened
5. Prerequisites for class not fulfilled
6. Instructor approval required
7. Online registration deadline has expired

WebAdvisor cannot be used to register for the following options:

1. Cross-registration
2. Independent Studies and Courses out of Sequence

3. Courses requiring permission of the instructor
4. Field education

Registration for Field Education

Students are not permitted to register themselves for field education credit via WebAdvisor. All incoming students will be registered for FLDC 5300 Vocational Excellence automatically for the first session it is available after their matriculation unless prior arrangements have been made with the Seminary Academic Services Office.

For all other field education credits, students must be registered by the Field Education Office. Students are not properly registered will not receive credit. Students will only be registered for FLDC 7310 Internship Residency when they have submitted all required materials designating the scope of the internship and the agreement with the congregation or other organization. Contact the Field Education Office for details.

Academic Year

The Seminary academic year is comprised of two (2) main semesters: fall (August–December) and spring (January–May), and a shorter summer semester. Intensive courses are offered occasionally in May, and in June–August. In January, various on-campus intensives are offered in one or two weeks. Intensives taken in January are considered part of the spring semester for purposes of registration.

Academic Calendar

The Seminary academic calendar provides important dates such as semester dates, registration dates, holiday breaks, application deadlines, and more. Students are responsible for all deadlines. The current academic calendar can be found on the Seminary web site.

Recording Classes and Other Events

No one may record a class or other event without permission of the instructor or event coordinator.

Academic Advising

Course-scheduling guides are available in each degree section of the academic catalog and on the Seminary website. Students are responsible for using them in scheduling and advising. Students are ultimately responsible for the completion of their individual program requirements. Student academic planning resources include:

- The Seminary academic catalog, which details the individual degree programs, certificates, and course descriptions, as well as academic policies.
- The Seminary web site provides assistance with detailed course offerings, degree programs, and curriculum management.
- Faculty advisors who can provide assistance with course planning, preparation, and completion.
- Seminary Academic Services Office in Nyvall Hall, (773) 244-6217 or semacademicserv@northpark.edu.

After admission to NPTS, students are assigned a faculty advisor. Advisors are NPTS faculty members who can be called upon with questions in relation to course planning, the call process, questions about seminary, and overall guidance or encouragement. Visiting students may contact the Seminary Academic Services Office for advising.

Students wishing to request a change of advisor should contact Seminary Academic Services.

Academic Load

Typically, first-year first-semester students may not enroll for more than 16 credit hours. Students on academic probation (GPA less than 2.5) may be restricted to significantly fewer credit hours.

Credit Hours/Academic Load Level

1–7 Hours per semester—Part Time Student

8+ Hours per semester—Full Time Student

Student Status

Visiting Students

Visiting students take courses for credit or audit but are not enrolled in a degree or certificate program. Visiting students are not restricted in the number of courses they may take or audit over time. However, if a visiting student chooses to apply for a specific program of studies, all requirements identified for completion of that program must be completed regardless of the number of courses completed as a visiting student. Therefore, a student is not encouraged to take courses for credit as a visiting student unless he or she will apply within one year to a specific program of study. There is no limit on the number of courses taken for audit.

Course Audits

A student who audits a course will not receive academic credit. Students may not audit a core course to fulfill a degree requirement. A student who wants to take the course for credit will have priority over a student who wants to take the course as an audit.

- Auditors must have faculty approval with agreement on appropriate participation level for the course prior to registration through the Seminary Academic Services Office.
- Course audits are charged at a per-credit rate. Details are available at www.northpark.edu/Campus-Life-and-Services/Financial-Aid/Seminary/Tuition-and-Fees. Spouses of full-time degree seeking Seminary students and Kern Scholar graduates (through Academic Year 2017–2018) are exempt from audit charges.
- Students who are registered for a course for credit may change to audit through the fourth week of a class.
- Students who are registered for a course for audit may change to credit only through the first week of class.
- All changes require an instructor-approved petition to the Seminary Academic Services Office.

Change of Registration: Adding or Dropping a Course

It is the student's responsibility to be aware of the add/drop policy and all deadlines. Deadlines for add/drop are located on the Seminary academic calendar, posted on the Seminary website. (Note: Simply showing up to a course does not guarantee enrollment. A student must be registered for the course to attend classes.)

- Courses may be added or dropped via WebAdvisor through the first week of classes. Courses may be added through the second week of classes only with an instructor-approved add form. No course additions are permitted after the second week of classes.
- After the first week, and until the drop deadline, a course may be dropped with permission of the instructor and completion of a drop form. Absence from classes or notice to the instructor does not constitute Withdrawal.
- After the fourth week, the course dropped with permission will be given a grade of "W" (withdrawal) and will appear as such on the

student's transcript. Courses dropped without permission will be recorded as "DW" and calculated as a failing grade.

- Should a student miss the drop deadline and receive a DW, he or she may petition by letter to the Academic Dean in the case of extenuating circumstances. There is no guarantee that the petition will be approved.

Course Refund Policy

Course refunds for courses dropped with permission will be made as follows for regular term classes and for summer language intensives (typically six weeks in duration):

- Full refund if student submits a completed drop form prior to the start of a term or by the end of the first week of class.
- 80 percent refund if student submits a completed drop form by the end of the second week of a class.
- 60 percent refund if student submits a completed drop form by the end of the third week of a class.
- 50 percent refund if student submits a completed drop form by the end of the fourth week of a class.
- No refund after the end of the fourth week, or for courses dropped without permission.

The refund policy for intensive courses will follow the above pattern for each day the course meets. For one and two week intensives:

- Full refund if student submits a completed drop form by 4:00 pm on the second day of class.
- 80 percent refund if student submits a completed drop form by 4:00 pm on the third day of class.
- 60 percent refund if student submits a completed drop form by 4:00 pm on the fourth day of class.
- 50 percent refund if student submits a completed drop form by 4:00 pm on the fifth day of class.
- There is no refund after the fifth day of the course, or if the course is dropped without permission.

Cross-Registration through the ACTS Consortium

North Park Theological Seminary is part of the Association of Chicago Theological Schools (ACTS). To see a complete list of courses that are available to students offered by ACTS seminaries, visit www.actschicago.org. Students interested in taking a course at a particular seminary are advised to go to that seminary's website to confirm course description and schedule.

Registration for ACTS Courses

Contact the Seminary Academic Services Office for the ACTS Cross-Registration form. If the student is eligible and is accepted by the host school, he or she will be registered for CROS 5000 and will be charged regular NPTS tuition. Students are not permitted to register for an ACTS course directly with another seminary. Students must not simply show up to a cross-registration course at another ACTS seminary. Such students are not registered and will not receive credit for the course.

- Students must have approval from the Seminary Academic Services Office and the host seminary in order to register.
- Cross-registration is not available for independent studies.
- Students are not permitted to take more than one cross-registered course per semester or approximately 20 percent of total credits needed to complete their program.
- To use a cross-registered course to fulfill a core requirement in a degree or certificate program, the student must submit an approved

course substitution petition from the relevant Seminary faculty Field Chair.

- Cross-registration is not available during the summer semester.

Independent Studies and Courses Out of Sequence

Independent Studies

The Independent Study is an opportunity for graduate students to work one on one with a member of the faculty related to an area of interest that is not part of the regular curriculum. Independent Studies do not satisfy core requirements. Since faculty are limited in the number of independent studies they can supervise, both the professor and the Academic Dean of the Seminary must approve an independent study prior to registration through the Seminary Academic Services Office.

- Students must fulfill any necessary pre-requisites and have a minimum GPA of 3.0 to be eligible to register for an independent study.
- Students must submit an instructor-approved syllabus with registration request.
- Students may take a maximum of one independent study per semester.
- Independent studies may be one to three credit hours and may be offered on a pass/fail basis.
- Students must demonstrate to the professor's satisfaction that requirements have been fulfilled prior to grade submission.

Courses Out of Sequence

When a student confirms with the Seminary Academic Services Office that a particular course is required for program completion but is unavailable in a timely manner, the student may be eligible to take a Course Out of Sequence (COS). Academic Services personnel work with the student, the Field, and course instructor to determine how the COS is to proceed.

- A COS is only approved if a course required for degree completion is unavailable and if the Seminary budget allows.
- Students must submit an instructor-approved syllabus with registration request.
- Students must demonstrate to the professor's satisfaction that requirements have been fulfilled prior to grade submission.

Course Information

Class Attendance

Students are expected to be prompt and regular in attendance at all scheduled classes. Arrangements must be made with the instructor concerning short-term illness. In the case of longer illnesses or emergencies the student should notify the Seminary Dean of Students and Community Life. If an academic leave of absence becomes necessary, contact Seminary Academic Services.

Course Evaluation

Student participation in course evaluations is critical to the ongoing quality of theological education at North Park. Course evaluations may be distributed either in class or via online survey during the last week of class. Course evaluations are anonymous and confidential. Only after grades have been submitted do faculty, the Academic Dean, and in some cases a faculty Field Chair receive compiled evaluation results.

Course Substitution

Normally, substitutions are not granted for required courses. However, the student may petition to have a course substitute for a required course if the substitution is in the same field and in the same subject matter. Petition forms are available on the Seminary web site. Field Chair and Academic Dean approval is required.

Greek Proficiency Exam

If it has been more than one year since a student has taken Greek at North Park or elsewhere prior to enrolling in Greek Exegesis, he or she must pass a proficiency exam to register for the course. Contact the Seminary Academic Services Office for details.

Undergraduate Courses

Seminary students may take up to six credits from the undergraduate curriculum with permission. These will count as elective credits. The undergraduate professor of record will determine the nature of additional course work for graduate credit. Certain restrictions may apply for students holding a scholarship.

School of Business and Nonprofit Administration Courses

Only students who are admitted to a dual degree program may take SBNM courses. Students will not be accepted into a SBNM degree program and a Seminary degree program at the same time unless it is to a dual-degree program. However, students may be permitted to complete up to one SBNM certificate if accepted by the School of Business and Nonprofit Administration. Seminary-only students must submit a course substitution petition for SBNM courses to fulfill Seminary elective credit.

Dual Degree Programs

Students may apply for enrollment in a dual degree program that will allow them to receive both a Seminary degree and a master's degree from the School of Business and Nonprofit Management at North Park University. The following policies and procedures apply to dual-degree programs:

1. Dual-degree tuition is set at a separate rate from Seminary tuition. For details and for questions regarding financial aid, see the Seminary website or contact the Office of Seminary Admission.
2. Dual degrees are blended programs and will only be awarded at Commencement upon completion of all Seminary and SBNM requirements.
3. If a student drops out of the dual-degree program but chooses to complete one or other of the degree programs, he or she must re-apply to the relevant school for admission to the degree.
4. Current degree-seeking Seminary students who wish to change to a dual-degree program must apply through the Office of Seminary Admission before they have earned 30 credits for the MDiv, 16 credits for the MACF, or 12 credits for the MACM. Students who have earned more than the specified hours in their respective program must complete or withdraw from their current program before beginning another North Park degree program.

Americans with Disabilities Act Services

In accordance with Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act (ADA) of 1990, North Park Theological Seminary provides services for students with documented disabilities to ensure equal access to programs, services, facilities, and activities. No otherwise qualified individual with a disability shall, solely by reason of his or her disability, be excluded from the participation in,

be denied the benefits of, or be subjected to discrimination under any program or activity of a public entity. Visit www.ada.gov/pubs/ada.htm for the statement of the act as amended in 2008.

Accommodation for Disabilities

NPTS accommodates students with special needs that affect capacity to complete a program of study. The student must submit a letter, documenting the disability, from his or her physician, other approved professional, or authorized agency, to the Seminary Academic Services Office during the first month of his or her first semester. If a student is in need of housing accommodations, the recommendations stated in the documentation must clearly state the housing needs and requirements of the student. Specific arrangements are made in discussion with the student, the Academic Dean, Academic Services personnel, and relevant instructors.

In any semester, the Seminary Academic Services Office must be notified at least two weeks in advance in order to pursue needed accommodations or services.

Accommodations Grievance Procedure

In the event of a disagreement between student and faculty, or with another NPTS or University employee, over an issue of the aforementioned accommodations, the student should first meet with the faculty member or other NPTS or university employee to seek resolution. If unsuccessful, the student may submit an appeal to the Seminary Academic Services Office. If necessary, the appeal will be forwarded to the Seminary Academic Dean who is the final arbiter of the appeal. In cases of appeal, the faculty member's peers may be asked by the Academic Dean to decide as to the merit of the appeal. The student has the right to be represented by and/or to appeal to legal counsel.

Family Educational Rights and Privacy Act (FERPA)

The educational records of North Park Theological Seminary students are protected under the Family Educational Rights and Privacy Act (FERPA). FERPA is a federal law that applies to educational agencies and institutions that receive funding under a program administered by the U. S. Department of Education. The statute is found at 20 U.S.C. § 1232g, and the Department's regulations are found at 34 CFR Part 99.

Access to Education Records

Under FERPA, students have the right to access their education records. Students may submit a written request to the Seminary Academic Services Office specifying a list of which education records he or she wishes to access. Within 45 days, as stipulated by law, Academic Services personnel will provide the student with the opportunity to review the requested materials, and make copies if necessary, at a mutually agreeable time and place. Should the name or other personally identifiable information about another student be present in the requested education records, such names and information will be redacted prior to student inspection.

Amendment of Education Records

Under FERPA, students have the right to request an amendment to education records. Should a student deem a portion of their education record to be inaccurate or misleading, the student may submit a request for amendment to Seminary Academic Services personnel. Requests must provide specific detail about which portions of the education record he or she believes to be inaccurate or misleading and what information he or she would like to be amended. Should the Seminary

decide not to amend the education record as requested by the student, the student will be notified in writing and given an offer of a hearing should the student wish to pursue the amendment further. If after a hearing, the Seminary still decides not to amend the record as requested, the student will be offered the right to place a statement to be kept on file and disclosed if necessary with the original record.

Disclosure of Education Records

Under FERPA, students have the right to consent prior to the disclosure of education records, except in instances where FERPA authorizes disclosure without student consent. The Seminary will not release student education records without prior written consent, except in the following instances:

- The disclosure is to school officials who have been determined to have legitimate educational interests.
North Park Theological Seminary defines a school official as a person employed by the Seminary or University in an administrative, supervisory, academic or research, or support staff position; a person or company with whom the Seminary or University has contracted (such as an attorney, auditor, or collection agent); a person serving on the board of trustees; a student worker under the supervision of a school official; or a student serving on an official committee. Should a school official need a student's education record in order to fulfill a professional responsibility, it will be considered a legitimate educational interest.
- The student is seeking or intending to enroll in another school.
- The disclosure is to state or local educational authorities auditing or enforcing federal- or state-supported education programs or enforcing federal laws which relate to those programs.
- The disclosure is to the parents of a student who is a dependent for income tax purposes;
- The disclosure is in connection with determining eligibility, amounts, and terms for financial aid or enforcing the terms and conditions of financial aid.
- The disclosure is pursuant to a lawfully issued court order or subpoena.
- The information disclosed is designated as directory information.

North Park Theological Seminary publishes a student directory each academic year. The Seminary considers the following information suitable for directory use or other public functions: student name; names of student's immediate family; student photograph; local address and telephone number; place of birth; confirmation of current student status; current student degree program; dates of attendance; and degrees, certificates, and academic awards received at North Park or other academic institutions. Students who wish to restrict the use of any of this information must submit a written request to Seminary Academic Services within the first week of the current semester.

Should a student wish to have his or her education records released to a spouse, parent(s), guardian(s), or specified third party, the FERPA release form, available on the Seminary website, must be completed fully and returned either by fax or mail to:

Washington, DC 20202-5920

Grading Policies

Grades are issued shortly after the conclusion of each term and posted on WebAdvisor. Students can access grades through their personal account after grades have been submitted by faculty. Unless otherwise indicated on the course syllabus, the following criteria apply:

A: Superior work (A = 95–100; A- = 93–94)

This grade applies to exceptional work, the quality achieved through excellence of performance, not merely the fulfillment of the course requirements.

B: Above average (B+ = 91–92; B = 88–90; B- = 86–87)

This grade applies to meritorious work, definitely above average, applied to more than the fulfillment of requirements.

C: Average (C+ = 84–85; C = 80–83; C- = 78–79)

This grade applies to average work that still fulfills the course requirements.

D: Unsatisfactory (D+ = 76–77; D = 72–75; D- = 70–71)

This grade, while indicating the student has completed a course, is to be understood as reflecting below average work. Course work receiving this grade will not be counted toward a degree.

F: Failure (69 and below)

To receive credit in the subject, the course must be repeated.

I: Incomplete

This course is counted as an F in the calculation of GPA until the student's work is completed and submitted. A grade of incomplete or I is granted only when a student can demonstrate sufficient cause for not completing the course work on time. Such cause includes illness, disability, emergency and/or unforeseeable circumstances. Incompletes are not intended as ordinary extensions of time to complete a course, but granted only under extraordinary circumstances. The professor is not obligated to grant the request for an incomplete.

AU: Audit

Students not taking a course for academic credit will receive an AU.

P: Pass

This grade is based on evidence of completed assignments, regular attendance, and participation activities required by the instructor. A grade of P does not affect one's Grade Point Average (GPA).

F: Failure

A failing grade in a pass/fail course is calculated in a student's Grade Point Average. Pass/fail courses become part of the student's permanent record and will be taken into account in assessing the student's level of achievement.

Grade Point Average (GPA)

Grade Point values are based on a 4 point scale and are as follows:

A	4 points
A-	3.67
B+	3.34
B	3.0
B-	2.67
C+	2.34
C	2.0
C-	1.67
D+	1.34
D	1.0
D-	.67
F	No points
I	No points

GPA is taken into consideration for such matters as academic probation, scholarship privileges, etc.

Taking a Course Pass/Fail

Courses approved for pass/fail grading are listed on the Seminary web site. Contact Seminary Academic Services to register. In rare cases, a student may petition to take an unapproved course as pass/fail.

Requests for pass/fail grading must be submitted to Seminary Academic Services no later than the last day of the fourth week of classes (or by 4:00 pm on the fourth day of an intensive class.) No more than one-third of a student's course work may be graded pass/fail. Spiritual formation courses are not included in the computation.

Grade of Incomplete

A grade of Incomplete (I) is given at the instructor's discretion and is only granted in extraordinary circumstances. Instructors are not obligated to grant requests for a grade of I. Incompletes are given zero points toward GPA calculation until the course work is completed and the grade changed. The deadline for an incomplete course is the last day of the following semester after which the course will become a permanent fail (F). Any exceptions to the deadline must be documented in writing by both student and instructor and on record in the student's file.

Grade Reduction for Late Assignments

Course instructors determine penalties for late assignments that do not fall under Incomplete policies.

Grade Disagreement

Should a student disagree with a grade he or she has received, the student is encouraged to first meet with the faculty member involved to discuss the disagreement. If there is no resolution, the student may submit, in writing, a description of the unresolved grade disagreement to the Academic Dean. The student must provide verifiable evidence that the grade in question is inconsistent with grading standards and procedures contained in the course syllabus, or with previously stated standards, or does not give full consideration to all graded assignments. The Academic Dean will consult the Academic Cabinet and is the final arbiter of the disagreement.

Honors

Any degree-seeking student who graduates with a cumulative GPA of 3.75 or above will be recognized as graduating with "High Honors." Graduates with a GPA of 3.5 to 3.74 will be recognized with "Honors." The calculation for commencement ceremony purposes is based on grades for all but the final semester. Honors students wear gold cords at graduation designating their status. Honors status is not granted for certificate students. The diploma will show the honors status achieved after the final semester.

Transcripts

Official transcripts are processed through North Park University in the Office of Student Administrative Services. Information can be found at www.northpark.edu/alumni/transcripts or call (773) 244-5560. Current students may access unofficial transcripts via WebAdvisor.

Enrollment Status

A student in good standing is admitted to a degree or certificate program, is currently enrolled, has a cumulative GPA of 2.5 or greater on a 4.0 scale, has not been dismissed from the institution for any reason, and does not have a hold on their account from any administrative office.

Academic Probation

A student is placed on academic probation when his or her cumulative grade point average falls below 2.5 (on a 4-point scale).

Students whose GPA falls below 2.5 will receive a letter from Seminary Academic Services and copied to the student's advisor, the Dean of Students and Community Life, and the Academic Dean which will outline conditions and expectations particular to each student. Any student who is on academic probation for more than two consecutive semesters (except for extenuating circumstances) will be dismissed from studies at North Park Theological Seminary. If a student is dismissed for academic reasons, he or she may petition the Seminary Academic Dean in writing after one year for readmission.

Change of Degree

Students who desire to change to a different degree program must complete a student petition form found on the Seminary website. They must attach to the petition a brief description (1–2 paragraphs) of the reasons for desiring a change of degree including its likely impact on vocational outcomes. Students must talk with their advisor prior to filing the petition, and the signature of their advisor on a change of degree petition implies that it has been read and discussed with the student. In addition, students must have the approval of the Dean of Students and Community Life. Final approval is determined by the Seminary Academic Dean. In some cases, a petition for change of degree may be reviewed by the Academic Cabinet. In cases of dual degree students, the School of Business will be consulted. If a student wants to pursue a dual degree program or a cohort certificate program, the student must apply through the Office of Seminary Admission.

Degree Candidacy

After completing 24 credit hours, students apply for degree candidacy to the Seminary Student Services Office. See the Student Services Handbook for a description of the evaluation processes for Degree Candidacy and End of Studies.

Degree Completion

Degree programs are to be completed within a seven year period. In certain circumstances, and with permission of the Seminary Academic Dean, the term limit may be extended by an additional year. No more than three (3) extensions can be taken. After the tenth year, the student will be dropped from his or her program and must reapply. He or she typically will be required to retake certain courses or to undergo repeat testing (e.g., Midwest Ministries testing).

Approved Academic Leave

A student may apply for an academic leave for one or more semesters up to the limit of four consecutive semesters (two academic years). No extensions of academic leave will be approved beyond four consecutive semesters. While on an approved academic leave, the student is not withdrawn from his or her academic program, and the approved time is not counted against degree completion time.

- Students must submit an academic leave request to Seminary Academic Services identifying the reasons for the leave, the student's projected plans during the absence, and the expected date of return. The Academic Dean will make final approval decisions and may consult with student's advisor, the Dean of Students and Community Life, or the Academic Cabinet as appropriate.
- Students must submit requests in the semester prior to the leave to allow time for review of request.

- Scholarships are not held for students whose academic leave extends beyond one semester in length. After one semester, students must reapply for financial aid.
- Seminary housing may not continue to be available to students on academic leave.
- Students on academic probation may request a leave of absence subject to all conditions above. In such cases, a written agreement must be submitted indicating ways by which the student intends to improve his/her academic performance and raise GPA to 2.5 or higher prior to returning to studies.

Withdrawal from Studies

Students who intend to permanently withdraw from studies must submit a letter stating this intent to the Academic Dean and the Dean of Students and Community Life. The letter is placed in the student's academic file. The student is responsible for assuring proper withdrawal from all courses and obtaining clearance from various departments such as Financial Aid, Student Accounts, Brandel Library, and Seminary Housing.

Inactive without Approved Academic Leave

A student who has not been enrolled for two consecutive academic semesters without receiving approved leave will be automatically withdrawn from the institution. Readmission to Seminary programs must be done subsequently through the Seminary Academic Services Office.

Readmission after an Extended Absence

Students returning to studies after an approved academic leave within the time specified on their leave application, need not reapply and are held to the requirements of the Academic Catalog under which they began their studies. Students who have withdrawn or were withdrawn due to inactivity are required to reapply through the Seminary Academic Services Office and may be held to the requirements under the Academic Catalog of their return. Course work older than ten years will not be applied to a degree program. (The ten years applies from the date the course is completed at NPTS and transcribed.) Courses older than ten years, taken at another institution, will not be accepted as transfer credit. Anyone seeking readmission to Seminary programs after more than a ten-year absence, is required to apply through the Office of Seminary Admission.

Advanced Standing (Academic)

Advanced standing is an exemption from certain subjects (e.g., prerequisites, survey or introductory courses) on the basis of previous undergraduate study which is similar in content and standards required for a passing grade in those subjects as assessed by Seminary Academic Services. Advanced standing is not guaranteed. Typically, advanced standing is granted where the bachelor's degree is from an accredited institution with a major or minor in Bible, Theology, Religion, or a Ministry Field, and if undergraduate work is deemed comparable to NPTS course requirements. Advanced standing applies only to Seminary degrees, not to the non-Seminary portion of the dual degree. Field education pre-Seminary credit is considered separately.

- Advanced standing consideration is available for students whose undergraduate cumulative GPA is 3.00 (on 4.0 scale) or higher, and where courses being considered received a grade of B or higher.
- The maximum amount of academic advanced standing credit for each degree program follows:
 - Master of Divinity (MDiv) — 15 credit hours
 - MA in Theological Studies (MATS) — 10 credit hours
 - MA in Christian Formation (MACF) — 10 credit hours
 - MA in Christian Ministry (MACM) — 7 credit hours

- Students will receive advanced standing in their program only where prior work satisfies a pre-requisite or introductory course.
- Students may receive advanced standing for no more than one core course in each of the areas of Bible (excluding Biblical Languages), Christian Formation, Church History, Ministry, Theology, and Spiritual Formation.
- Students receiving advanced standing for a class will be required to substitute another class from the same area.
- However, graduates of North Park University, normally those with a major or minor in Biblical and Theological Studies, will receive a reduction in the credit hours in their program.
- Courses in biblical languages taken more than a year previously require a proficiency examination before advanced standing is considered.
- Courses completed and transcribed more than ten (10) years previously will not be considered for advanced standing.

Applying for Advanced Standing

Current students must request an advanced standing evaluation within their first academic year. Normally, advanced standing evaluations are not conducted during the admissions process. Incoming students must have a completed application on file and have received a letter of acceptance before advanced standing will be considered. It is the student's responsibility to request an advanced standing evaluation from the Seminary Academic Services Office. The student must submit the following:

1. A web link to the undergraduate catalogue or hard copy of each course description.
2. If requested, the syllabus for the course(s).
3. In some cases, the reviewer may request copies of completed assignments.

Upon completion of the evaluation of a student's previous course work, a copy of the advanced standing form indicating awarded courses and a letter from Seminary Academic Services personnel will be sent to the student by email, unless hard copy is requested. Contact Seminary Academic Services at semacademicserv@northpark.edu with evaluation questions.

Advanced Standing (Field Education)

Students accepted into the MDIV or MACF degree programs may apply for advanced standing for prior field education experience during their first year of study. Advanced standing will only be considered for prior field experience equivalent to internship residency. The Field Education Committee makes decisions as to whether or not a student is awarded credit and if so how much. Credit hours granted will not typically exceed half of the credit hours required for each degree program. Requests must be based on experiences gained within five years of seminary matriculation. Experience older than five years will not be considered.

When assessing applications, the Field Education Committee takes into consideration the following:

- Intentional supervision, reflection, and evaluation by a ministry mentor.
- Ministry experience that aligns with the goals of student's degree program.
- Documented evidence of evaluation by those with whom or for whom the student's ministry has been practiced.
- Documented reflection by the student regarding what he/she has learned about his/herself and about ministry in general during the experience.

Applying for Advanced Standing for Prior Field Education Experience

All applications for advance standing for prior field experiences must include:

1. Application cover sheet.
2. Student reflection and evaluation (essay: 3–5 pages, double spaced, one-inch margins, 10–12 font).
3. Supervisor evaluation (required)
4. Optional supplemental evaluation (i.e., laity).

The Field Education Committee considers advanced standing applications twice a year: in January and in June. Applications will not normally be considered outside of this timeframe. To be considered, students must submit applications in their first academic year. Students who begin studies in the spring semester will be given until the early deadline of the next academic year to submit applications.

Early deadline: January 15

Final deadline: June 1

Students awarded credit will be charged the Field Education per credit rate for the amount of credit they have been awarded. All questions and completed applications should be delivered to the Field Education Office.

Transfer of Credit

Current students and applicants may be eligible for transfer of credit for graduate level study completed at other accredited institutions. Transfer of credit must be requested by the student. Students seeking transfer of credit, or who wish to transfer to NPTS from another accredited theological institution may be asked to present a letter of good standing from the institution.

- A student may request transfer credit for courses equivalent to courses at NPTS. Only courses with content that closely approximates core courses will be accepted as transfer credit for NPTS's core requirements.
- No more than one-half of the courses required for a NPTS degree may be granted by transfer of credit. Transfer of credit beyond this limit may be granted only in special circumstances. The request must include a rationale for permitting further credit based on such factors as ministry experience, personal references, academic excellence, or other relevant information. All requests will be reviewed by the Seminary Academic Cabinet.
- Students will complete all requirements for the degree (e.g., candidacy and end of studies reviews) and are required to complete the residency for their degree program. Residency requirements are as follows:
 - Master of Divinity (MDiv) — 30 credit hours
 - MA in Theological Studies (MATS) — 24 credit hours
 - MA in Christian Formation (MACF) — 17 credit hours
 - MA in Christian Ministry (MACM) — 13 credit hours
- Courses completed and transcribed more than ten (10) years previously will not be accepted as transfer credit.
- Consideration for transfer of credit is available for students whose cumulative GPA is 2.5 or higher (on a 4.0 scale) at the transfer school and at NPTS at the time of the request and where courses being considered received a grade of C or higher.
- Grades received for courses accepted as transfer credit will be used in the student's GPA calculation.
- Field education credits will be evaluated by the Field Education Office.
- In no case can a student earn an MDiv degree and a second Seminary level master's degree in less than five (5) consecutive years.

For a transfer of credit evaluation, students must submit:

1. Copies of official transcripts. (Quarter-system credit hours are converted to semester hours by dividing the number of quarter credit hours received by a factor of 1.5).
2. A web link to the graduate catalog or hard copy of each course description at the transfer school.
3. If requested, the syllabus for the course(s).
4. In some cases, the reviewer may request copies of completed assignments.

In certain circumstances, a transfer of credit review will be completed for an applicant to NPTS, but only after a completed application has been received. Upon completion of the evaluation of a student's previous course work, a copy of the transfer of credit form indicating awarded courses and a letter from the Seminary Academic Services personnel will be sent to the student by email, unless hard copy is requested. Contact Seminary Academic Services at semacademicserv@northpark.edu with evaluation questions.

Academic Dishonesty

North Park Theological Seminary supports an academic environment consistent with its values and mission. In cases of alleged academic dishonesty, appropriate designated authorities within the Seminary will inquire into and, if necessary, review such cases according to the following principles, policies, and procedures.

Categories and Definitions Explaining What Constitutes Academic Dishonesty

Cheating on Quizzes, Tests, and Examinations

Individual or group activity for the purpose of dishonestly obtaining and/or distributing testable information prior to, during, or after an examination. Examples of dishonest activities include, but are not limited to, the following:

1. Looking at an examination paper or answer sheet of another student.
2. Obtaining, prior to the administration of a test, unauthorized information regarding the test.
3. Possessing or distributing a test prior to its administration.
4. Using any unauthorized materials or equipment during an examination.
5. Cooperating or aiding in any of the above.

Plagiarism

Any attempt to represent the words or ideas of another (whether published or unpublished) as one's own. Examples of such activities include, but are not limited to, the following:

1. Using the words of a published source in a written assignment without appropriate documentation.
2. Presenting as one's own the ideas and/or arguments from another source, including an Internet source.

Alteration of Academic Records

Examples include, but are not limited to, the following:

1. Changing documentation in the Records Office (by computer or any other means).
2. Changing entries in an instructor's grade book.
3. Changing an answer to an already-graded academic exercise in order to falsely negotiate for a higher grade.

Reusing Work Done for Another Course

Work produced for one course cannot be used to satisfy an assignment in another course. If work in one course is used to inform part of an assignment in another course (e.g., building on previous research), the student must cite his or her work in the same way as any other source.

Sabotage

Examples include, but are not limited to, the following:

1. Stealing, destroying, or altering another's academic work.
2. Hiding, misshelving, mutilating, or otherwise abusing library materials to keep others from using them.

Substitution

Using a proxy, or acting as proxy in an academic exercise. Examples of substitution include, but are not limited to, the following:

1. Taking an examination for another student.
2. Doing homework assignments for another student.

Procedures to be Followed in Cases of Academic Dishonesty

If an instructor has reason to believe that academic dishonesty has occurred, the instructor will do the following:

1. Prepare a letter describing reasons for suspicion of the infraction.
2. Discuss the letter with the student(s).
3. If the suspicion is proved unwarranted, the letter may be included in the student's file with a note describing the resolution or conclusion of the issue.
4. If the suspicion is verified, the Academic Dean, in consultation with the instructor, determines an appropriate penalty.
5. The student is informed of the penalty and his or her right to appeal.
6. The instructor, and if necessary the Academic Dean, meets with the student to discuss the penalty and any appeal. The student has the right to invite a student colleague, his or her faculty advisor or other faculty member, a staff member, or cultural representative to this meeting.
7. The Dean of Students will be notified of any penalty and/or remedial work.
8. All letters, emails, and reports generated by the various meetings will be placed in the student's file.

One or more of the following penalties may be imposed once academic dishonesty has been confirmed. Any previous infractions will be considered in the imposition of such penalties:

1. A failing grade on the examination, paper, or project.
2. A failing grade in the course.
3. Suspension from the Seminary for a determined period.
4. Expulsion from the Seminary.

The student has the right to appeal the penalty. The appeal must come within two weeks of receipt of the verdict. The student submits a letter with supporting documentation to the Dean of the Seminary. The Seminary Dean convenes a committee consisting of two faculty members appointed by the Seminary Dean from among faculty not currently teaching the student. The committee shall also include two representatives of the student's choice.

The Committee may

1. Reverse the finding and dismiss the penalty.
2. Confirm the finding and the penalty imposed.

The decision of the Seminary Dean is final.

Academic Assistance and Resources

After completing one third of the credit hours in their program, students may request an informal audit of their academic progress toward completion. Submit this request to Seminary Academic Services.

Tutors

The Seminary offers free tutoring on a limited basis to international students and to students who need assistance with biblical languages. Students who are in need of a tutor should contact the Seminary Academic Services Office.

In most cases enrolling in this course is voluntary. However, some students may be required to take this course as a condition of acceptance, academic testing or academic probation.

Graduation

Application for Graduation

Graduation applications are available on the Seminary website and as part of the End of Studies packet. Students expecting to graduate must apply the semester before and by the stated due date. See the academic calendar for due dates. Graduation audits will be returned to students within three (3) weeks of the application due date.

Graduation Requirements

Students are responsible for knowing the particular graduation requirements for their individual degree programs. All the following conditions must be met before the board of directors will recommend the candidate for a degree:

1. Complete the required semester hours of academic course work.

Students who graduate in December, whether or not they participate in the May commencement, will have a December date on their diploma.

ACADEMIC PROGRAMS

In line with our mission, the Seminary considers each degree program wholistically with academic expectations, spiritual formation, ministry practice, and inter-cultural experiences.

Our field education is multifaceted. It varies from actual internship experience in the field to a vocational discernment process to reflection modules. See each degree program for specific requirements.

It is the most flexible degree option offering courses in core disciplines and opportunities for reflection on experience and one's vocational direction. Participants are expected to be in ministry at the time of application and throughout the program. While internship is not a requirement of the MACM, students are required to participate in three, one credit field education modules. Learning outcomes for participation in the program include the following:

- Interpret Scripture with historical and theological integrity in relation to one's ministry.
- Convey the Christian tradition for appropriation in ministry settings.
- Articulate a theology of ministry that informs and finds expression in one's vocation, whether lay or ordained.
- Demonstrate a growing and theologically grounded sense of vocational identity in God's mission.

The sixty credit hour MATS (plus two credit hours of field education) is designed for those whose primary focus is graduate theological studies rather than ministerial studies. Both thesis and non-thesis options are available. Two one credit field education modules are required—the Cultural Competency Module and Vocational Excellence. Learning outcomes for the MATS include the following:

- Interpret Scripture with historical and theological integrity for diverse communities and contexts.
- Interpret the Christian historical and theological tradition for appropriation in the life and mission of the church.
- Demonstrate research competency including analyzing sources, building bibliographies, constructing arguments, and other skills appropriate to area of concentration.
- Embody a vocational identity that incorporates one's gifts in scholarship.
- Demonstrate master's level expertise within an area of major concentration.
- Communicate effectively through spoken and written media, engaging in critical, respectful dialogue with others.
- Engage diversity and exhibit growth towards inter-cultural competence reflective of God's global redemptive work.

Degree Requirements

The Master of Arts in Theological Studies degree is awarded to students meeting the following requirements:

1. Completion of a Bible exam and a psychological evaluation; successful completion of End of Studies evaluation.
2. The completion of 60 semester hours of academic course work, plus 2 field education credit hours.
3. A grade point average of 2.5 must be maintained. No grade under C- shall be counted toward the degree.
4. The completion of a declared area of concentration with a minimum of nine semester hours beyond the core requirement.
5. The successful completion of comprehensive exams or, a thesis with an oral defense completed in the final semester of studies.
6. No outstanding incomplete grades later than week seven of the term in which they plan to graduate.
7. Complete payment of all accounts and fees to the Seminary.
8. Completion of the degree within seven (7) years from the time of matriculation.

Field of Concentration

MATS students declare a field of major concentration by the beginning of the second semester. Fields of concentration include Old Testament, New Testament, Church History, Theology/Ethics, and Cross-Cultural Ministry. Students may petition the Academic Cabinet for permission to declare a field of concentration not listed. The student fulfills the concentration requirement by taking nine hours in the chosen field. Required core classes may not count toward the nine-hour concentration.

Concentration in Old Testament Language Requirement

This field of concentration requires working knowledge of biblical Hebrew. Students may demonstrate adequate proficiency in Hebrew by completing six semester hours of Hebrew at NPTS, or by passing a language proficiency exam administered by the biblical faculty. Language requirements are prerequisite to the 60-hour MATS. A student needing Hebrew is strongly encouraged to take the summer Hebrew intensive.

Concentration in New Testament Language Requirement

This field of concentration requires working knowledge of biblical Greek. Students may demonstrate adequate proficiency in Greek by completing 6 semester hours of Greek at NPTS, or by passing a language proficiency exam administered by the biblical faculty. Language requirements are prerequisite to the 60-hour MATS. A student needing Greek is strongly encouraged to take the summer Greek intensive. All MATS students concentrating in New Testament must also complete New Testament Greek Exegesis.

MATS with Thesis

Students typically choose to complete the MATS degree by writing a major thesis. During the second year of studies, students register for three credit hours of thesis research each semester through the Seminary Academic Services Office. Students are charged the Thesis/Comprehensive Exam Fee at registration. The topic of the thesis must relate to the student's field of major concentration. The topic is chosen in consultation with the director of the MATS degree program, who then assigns a thesis advisor to the MATS student. The thesis must be submitted by the beginning of the eighth week of the final semester. An oral defense of the thesis before a faculty committee must occur no later than week twelve of the final semester. Full thesis guidelines will be distributed by the director of the MATS degree program. Successful defense of the thesis is required for completion of the MATS with thesis option. The grading scale for theses is high pass, pass, or fail.

MATS without Thesis

Students may choose to complete the MATS degree without a thesis. In this case, a comprehensive examination in four parts will be given no later than week eight of the final semester of study. Students will register for THEO 7495 and will be charged the Thesis/Comprehensive Exam Fee.

DOCTOR OF MINISTRY IN PREACHING (DMIN)

North Park Theological Seminary has joined with five other theological seminaries in the Chicago area to offer a Doctor of Ministry (DMin) in Preaching. The combined resources of the six seminaries (North Park Theological Seminary, Chicago Theological Seminary, Lutheran School of Theology at Chicago, McCormick Theological Seminary, Northern Baptist Theological Seminary, and Seabury-Western Theological Seminary,) make this a program of exceptional depth and breadth of exposure.

Students are required to hold the MDiv degree (or its equivalent) and to have at least three years of post-MDiv parish ministry experience. Students must also have a supporting or sending group from their context of ministry (either the parish or an acceptable alternative).

The program combines academic quality and practical relevance. The internationally-renowned faculty bring high levels of scholarship and academic rigor to the program and work with students in their attempt to integrate academic and personal learning goals in the parish setting. Peer interaction during residencies and direct work with groups in the student's context of ministry are significant components of the program.

The three-year program involves an annual three-week summer residency. At this time students take a core course, a peer colloquy, and an elective. Post-residency work consists of two Preaching Ministry Projects and a thesis in preaching ministry. The Preaching Ministry Projects are rotations of four video-recorded sermons, preached during the year, which the student designs in order to explore an issue or assumption about preaching. Students receive feedback on each sermon from faculty and parish groups. The thesis serves as the culmination of student work in the program.

The level of personal interaction and practical learning offered by this program is unparalleled in comparable programs. A limited number of students will be accepted each year. For more information, contact the Office of Seminary Admission at (773) 244-6229 or (800) 964-0101, or the ACTS DMin in Preaching Program Office at (773) 947-6270.

Doctor Of Ministry in Preaching Core Curriculum

Colloquy

The Colloquy series serves in an advisory capacity to monitor a student's progress through the degree program; it is an opportunity for students to share their journeys, clarify personal needs and goals, and design the Preaching Ministry Project and thesis. Each year's Colloquy has a slightly different focus.

Preaching Ministry Project

The Preaching Ministry Project each year is an action/reflection experience that asks the student to apply what she or he learns in the core and elective courses to the home parish and to reflect on that experience. It is planned each year during the summer residency working with a professor (parish advisor), the colloquy leader, and peers. In the final design and execution of the project each student works with her or his parish members throughout the year. This period between residencies (August–March) functions as an independent course in preaching, supervised by the advisor in Chicago, and designed to address the student's personal and parish preaching needs.
