North Park University is a fully accredited four-year Christian liberal arts university with 40 liberal arts and preprofessional majors. More than a quarter of entering undergraduates each year are transfer students, and we welcome your presence on campus.

Listed below are College of Dupage courses that satisfy North Park Core Curriculum requirements. Other courses may be accepted as well. Transfer students must complete additional Core Curriculum requirements and designations at North Park University; you can find these at [northpark.smartcatalogiq.com/](http://northpark.smartcatalogiq.com/). Transfer credit from College of Dupage is limited to the total number of credits a full-time student may earn in the first two years in college (60 semester hours).
