NORTH PARK UNIVERSITY

A Brief History of North Park University

North Park University's (NPU) roots began in an Evangelical Covenant Church basement in 1891, where music, religion, language, and business classes gave Swedish immigrants the education and skills to prosper in a new nation. With an offer of free land in Chicago, the school moved from Minneapolis to the North Park neighborhood.

Old Main, the first building on campus, was completed in fall 1894 and housed all departments of the school. In the 1920s, pilots used the cupola atop Old Main as a landmark to find Orchard Field (now O'Hare International Airport) as it was the tallest point on the city's North Side.

North Park has since expanded and adapted its educational mission to the changing times. At various times, it included a seminary, academy, junior college, four-year liberal arts college, and, since 1997, a university.

In recent years, much time and many resources have been invested in renovating campus facilities, including the construction of the Brandel Library in 2001, the Holmgren Athletic Complex in 2004, the Helwig Recreation Center and Sawyer Court student residence in 2006, and the Nancy and G. Timothy Johnson Center for Science and Community Life in 2014; the acquisition of the Park North student residence in 2005; and the renovation of the central campus green in 2003, Burgh Hall in 2008, Ohlson Hall in 2009, Sohlberg Hall in 2011, Anderson Hall in 2012, and Hanson Hall in 2018.

The 2017 adoption of the Chicago-based curricular and co-curricular programs collectively identified as Catalyst advanced the university's distinction for city-centered learning.

Mission

The mission of North Park University, as the university of the Evangelical Covenant Church, is to prepare students for lives of significance and service through education in the liberal arts, professional studies, and theology.

Core Values

- Christian – We nurture Christian faith while welcoming students from all faith traditions.
- City-centered – We engage Chicago as a dynamic place of learning and service.
- Intercultural – We embrace and value all people, educating students for the complex global cultural tapestry.

Educational Ideals

Reflecting the core values that shape our distinctive learning community, students at North Park University experience an education that:

- Affirms learning in all its forms—in the classroom and beyond—as a gift, a joy, and a sacred obligation.
- Encourages dialogue as a means of learning where open inquiry, integrity, and civility guide our life together.
- Seeks to form and transform the whole student (intellectually, socially, and spiritually).
- Values each student for who they are and will become.

NORTH PARK UNIVERSITY

Academic Regalia

Today's academic attire is a legacy of the Middle Ages. While defining status, they kept wearers warm in the period's drafty and unheated stone buildings. In modern times, the attire is no longer protective, but is still worn to signify the wearer's degree.

Unadorned bachelor's gowns are the simplest in design, master's gowns have half-sleeves, and doctoral gowns are distinguishable by their velvet facing and three velvet chevrons on the sleeve. The velvet may be black or reflect the color of the wearer's degree.

You will notice some faculty are more colorfully attired. These gowns have traditionally denoted degrees from European universities, where each institution prescribes its regalia. In recent years, however, American institutions have increasingly departed from black and adopted more colorful garb for doctoral degrees.

Academic hoods reflect both the wearer's degree by the hood's size, the velvet trim's color, and the institution from which the degree was earned. At North Park, both graduates and faculty wear hoods. The degree colors commonly found at North Park are:

White	Arts and Letters
Gold	Science
Apricot	Nursing
Pink	Music
Scarlet	Theology or Divinity
Peacock Blue	Community Development
Drab	Business Administration, Economics, Management
Light Blue	Education
Dark Blue	Philosophy
Purple	Law
Green	Medicine
Brown	Fine Arts

The hood linings carry the colors of the school at which the degree was earned.

Academic Mace

A common symbol in modern academic processions, the mace symbolizes the institution's academic mission when used in academic processions.

The mace used by North Park University encompasses three symbols representing its educational mission.

1. The torch reflects the school motto, "In Thy Light Shall We See Light."
2. The growth metaphor calls attention to the holistic intellectual, emotional, and spiritual maturity the university seeks to nurture in students.
3. The threefold nature of the mace's composition (the three stand legs, layers, and flames) represents the trinity of the Christian tradition and three components of the university's academic program (liberal arts, professional studies, and theological education).

Presented by Dr. Michael S. Carr, Provost, and Dr. Liza Ann Acosta, University Dean
The Ahnfeldt Medallion is named in honor of Alfred Nelson Ahnfeldt, North Park's first college professor. Ahnfeldt was also acting president when North Park College joined North Park Theological Seminary shortly after the turn of the century. At the Winter Commencement, the Ahnfeldt Medallion is presented to the traditional four-year undergraduate student with the highest grade-point average in their class. The winter 2025 recipients are Lejla Gutosic and Sofia Grivot Volkmann.
