Explanations and Clarifications:

Title IX Coordinator and Confidential and Anonymous Reports

Reports of domestic violence, dating violence, stalking, and sexual assault may be different because of the number of confidential and anonymous reports that may not have been requested to be escalated to the Title IX Office.

Complaint Resolution Procedure Outcomes

"0" incident reports moved forward through the Title IX process for 2025. There we no request by complainant to move forward.

Responses to the Reports to the Title IX Coordinator or Responsible Employee

No reports escalated to NPU initiating an investigation or referral of allegation through the Title IX complaint resolution procedure.

While NPU shares options for a party to engage or be referred to local or State law enforcement, NPU administrators did not make direct contact with local or State police to denote on this report.
