

Part-Time Instructor Openings

Listed below are current and possible future part-time instructor openings in various areas. Please contact the specific person listed if interested in exploring one of these opportunities:

Department of Chemistry

The Chemistry Department is looking for an instructor to teach our general education (non-majors) GE course: "Survey of Chemistry" with lab during the 2016–2017 school year. The department also seeks an instructor to teach several lab sections each of our introductory courses: "Survey of Organic Chemistry," "Survey of Biochemistry," and "General Chemistry I & II." A master's degree or PhD is required. If interested, please send a resume to contact [Dr. Jon Reinstra-Kiracofe](#).

Department of Physics & Engineering

The Department of Physics & Engineering is seeking instructors to use an established curriculum to teach 1) a mechanics of materials course and 2) an introduction to circuits course with lab during the 2017-2018 academic year. Minimally, a Master's degree in related field is required, with preference given to applicants with a PhD. Please contact [Dr. Stephen Ray](#) with your CV if interested.

The Department of Physics at North Park University is seeking a qualified adjunct to teach College Physics I and II during the summer of 2018. These courses will be offered in the June and July terms of North Park's summer session. Interested candidates should send a CV to the Division Director and Associate Dean of Sciences [Dr. Matthew Schau](#).

Masters in Counseling Psychology Program

North Park University's Masters in Counseling Psychology Program is seeking adjunct instructors capable of teaching a variety of counseling-related courses including: Research Methods, Assessment of Individuals, and Substance Abuse/Addiction. The ideal candidates will be those that can teach online or face to face in an accelerated format with graduate students.

REQUIRED QUALIFICATIONS:

- A doctoral degree in Counseling or Psychology is required from a regionally accredited institution.
- Evidence of 5 or more years of professional and practical experience in Psychology.

- Experience working with diverse and non-traditional adult learners.
- Ability to blend one's faith with course content. North Park University is a private Christian University and we aim to have faculty who embrace North Park's vision and mission and can integrate their faith in the classroom.

PREFERRED QUALIFICATIONS: Mental health licensure preferred. Experience working with Canvas, Moodle, Blackboard or a similar LMS.

DUTIES AND RESPONSIBILITIES: To perform this job successfully, an individual must be able to perform each duty satisfactorily. Adjunct instructors will be required to teach from established curriculum all while adding personal expertise and real-world experience to the course. The requirements are representative of the knowledge, skills, and/or abilities required to teach at North Park University.

APPLICATION INFORMATION:

Include the following items with your submission:

- Completed employment application
- Current resume or CV
- Letter of interest which details the candidate's specific skills and qualifications related to the position, faith tradition and courses taught in the related fields.
- Unofficial undergraduate and graduate transcripts (required)

The School of Professional Studies welcomes inquiries for adjunct faculty positions from individuals with appropriate academic preparation and professional experience, as well as a commitment to nontraditional learners in an intentionally Christian context. The School of Professional Studies offers bachelors and graduate degrees in a variety of majors. For more information please visit our web site at www.northpark.edu/sps

To apply please contact Dr. Michael DeVries, Professor of Psychology, Director, MACP Program.
Email: mdevries@northpark.edu and phone: (773)244-6252
